P. W. CURRENT No. 2546

Copy of a letter No. 0016 Stat dated 17th December 1895 from the Director General of Railways, to the Secretary to the Resident Hyderabad P. W. Dept.

With reference to your letter No. 275/R dated the 7th November 1895, forwarding to the Secretary to the Government of India in the Public Works Department, the analysis of working of His Highness the Nizams Guaranteed State Railway for the half year ending with the 30th June 1895, I have the honor to point out that in calculating the total working expenses for item 18, the amount (Rs: 3,348) received on account of shunting charges at Bezwada Joint Station which is apparently practically a receipt for hire of Locomotive, should have been taken into account. This alters the figures for item 18 from Rs. 8,40,170 to Rs. 8,43,519, and affects the entries against items 19, 20, 77 to 88 and 113 to 118, which are dependent on item 18. I have accordingly to request that revised figures for all these items may be furnished as early as possible.

Sir,

Item No. 18 of the Analysis of Working of this Railway for the half year ended 30th June 1895.

With reference to letter No. 0016 Stat dated 17th December/95 from the Director Genl: of Railways Calcutta copied to me under your endorsement No. 331R. D/ 23rd Decr/95. I have the honor to state that item 18 is correct, as there is a charge for shunting expenses under the head of Abstract B VIII (1) amounting to Rs. 5869-10-10 which has been included in the total sum of the working expenses on which item 18 of the Analysis of Working is calculated. If therefore any alteration has been made in the copy furnished to the Director Genl: of Railways I have the honor to request that it be again corrected to the proper figure viz: Rs. 840.170.

In future it is proposed to deal with the shunting charges and shunting earnings and mileage at joint stations in the manner described in Govt: of India Circular No. XII Railway dated Simla the 25th Septr/95 and in connection with this circular I shall be glad to be informed, if in case of the shunting receipts being in excess of the charges whether the net figure should be shown in Abstract K "Sundries" under the head of "Hire of Locomotives" or whether it should be exhibited in that Abstract as a separate item and be
