Sir,

In reply to your letter N^o 3448 of 5th
instant, I have the honor to inform you that
the Perur Quarry was opened for the construction
of the Cuddalore - Nellore State Railway, and
came into our possession when this section of the
line was handed over to the South Indian Railway.
It was worked to a large extent on the construction
of the Villupuram - Dharmavaram section. Among
the records that came into our possession, the Chief
Engineer cannot find any trace of a land plan.
My letter N^o 215 of 19th February, 1889 refers to the
plan and schedules of class A and B land acquired
for the construction of the main line in Perur
village, and not to the land for the Quarry, which
had been taken up some years previously.

Your letter of the 15th ultimo.
The Chief Engineer reports that all the records
have been carefully gone through, and nothing
can be traced here regarding the land for the
