Sir,

I Submit for the orders of Government the attached application from my Assistant, Mr. J. H. Le Mesurier for the grant of exchange Compensation allowance.

The Examiner of Accounts is of opinion that the admissibility of the claim is doubtful, the claimant having been born in India and having resided in England for only four years. The Chief Auditor however considers the claim should be admitted, as the applicant's domicile of origin (his father's at the time of applicant's birth) being English, and he having been educated in England. Sir,

With reference to the correspondence ending with my letter N^o 358 dated 26th November 1895 I have the honor to enquire when the orders of the Government of India may be expected regarding the application of my Assistant, M^r J. H. Le Mesurier, for Exchange Compensation Allowance. In my letter N^o 343 dated 13th April 1895 I applied at the instance of the Board of Directors for a favourable reconsideration of the ^{order} passed by the Government of India in its letter N^o 33 B. dated 1st February 1895 to the Joint Secretary to the Government of Madras P.W.D. Railway Branch, and although over a year has elapsed no decision has as yet been communicated to me. M^r Le Mesurier has, I believed been debarred from the privilege of Exchange Compensation Allowance on the grounds that his father was in the Honourable East India Company's service. I understand that it is the intention of the Government of India to modify the ruling on which this decision was based, as it has been recognized to bear unfairly on Officers whose domicile is, but for a legal technicality, distinctly European.

Mr. Le Mesurier Assnt. to

H.E. The Governor

Draft below of £100.

1894

1895

An application for this allowance
was made to the Govt. of India
in 1894, but was refused.
On a further representation
from the Agent S.I.R. another
application was made in
1895, and refused on the
ground that Mr. Le Mesurier
domicile was Indian.

At the request of the Agent
supported by his Board of
Directors another third ap-
plication was made in
May 1895 to which no
reply has been received.

As pointed out by the Agent
the application has probably
been refused on the technical
plea that Mr. Le Mesurier ac-
quired an Indian domicile
by virtue of his father's having
been in the service of the
Hon. East India Co.

It is believed that the Govt. of
India are now reconsidering
the rules for Exchange Compen-

satin a year having now
elapsed since our last-
remained letter, a draft
reminder is put-up for
approval. It has not been
thought necessary to re-
capitulate the facts of the
case since the Govt. of India
is already fully informed
