111. Read letter from the Deputy Collector Madura Division Communicating copy of letter addressed to the Collector by the Consulting Engineer for Railways, and requesting to be informed if the Municipal Council is willing to give up the land referred to therein for constructing Railway Staff Quarters.

The Municipal Council is unwilling to part with the land as the building of Staff Quarters will be objectionable on Sanitary grounds. They are of opinion that sufficient land is available on the opposite side of the Dindigal Road.

Copy of Communication No: 188 of 1896
Gnd of 1896

dated 12.5.96 from the Deputy Collector on General Duties
Madura Division to the Collector of Madura

With reference to your R. M. C. No: 146
of 1896 dated 21st January last I have the
honor to state that the land required by the
Consulting Engineer for Railways for Rail-
-way Staff quarters was marked out by
the ^{Permanent Way} Public Works Inspector and it measures
2.20 acres. Of this extent, 43 cents was
already applied by the Madura Municipality
for opening out a road and it was accord-
-ingly handed over to the Municipality.
There is therefore an extent of 1 acre and
77 cents of land available for the Staff
quarters and for the acquisition of which,
a draft declaration and schedule is
herewith submitted for publication in the
Fort Saint George Gazette.

2. Out of the said 1 acre and 77 cents of
land, an extent of 1 acre and 20 cents is
Travellers' Bungalow Compound, and

hatta for which stands in the name of the
Chairman of the Madura Municipality.

The Chairman was addressed on the subject,
And at the special meeting held on the 2^d
Instant, the Municipal Council has re-
solved that the Council is unwilling to part
with the land as the building of Staff quarters
will be objectionable on sanitary grounds.

A copy of the resolution of the Municipal
Council is enclosed. I do not consider
the objection of the Council entitled to much
weight; due consideration was given to
the objection and it was decided by the
Railway authorities that no other site was
available.

3. The remaining 57 cents of land belongs
to one Narasimha Naik, and his statement
will be obtained and submitted after-
wards as he is not now in Madura.

4. I propose the Tahsildar of Madura
to be the land acquisition officer as one
of the pages is the Municipal Chairman.

5. The

5. The land plan and Schedule received in
your reference under reply are herewith
returned.
