The Ag. Agents & Managers

Dear Sir

Official Meeting - May 1896.

With reference to my letter
of C.E. 88/650 of 21st Instant. Item 23-Ash pit at Arcot, I beg to subjoin ex-
planation of the necessity for this work
given by the Loco. Superintendent:-

"The ash pit is required at Arcot to
allow of engines raking out the ash
pans there. It has for many years been
very much required and several
proposals have from time to time
been made as to the best way of pro-
viding a pit but the difficulty of doing
this without involving an excessive

" and expensive alteration of the
 " station has always prevented
 " its being formally brought forward

" This has now been got over,
 " and as almost all engines passing
 " through Arcot have to rake out there,
 " a pit is very necessary and I
 " hope the work may be put in hand
 " at once."

Yours faithfully
