READ the following —

Copy of letter No. 218 dated 20 December 1895 from Special Deputy Collector Begwada to the Madras Railway, Bapatla Division to the Collector of Krishna.

I have the honor to submit that for measuring the land to be acquired by the Special Deputy Collector in Public Division of the Bezwada Madras State Railway, one Revenue Inspector on a salary of Rupees 45 + 15 Rs. Horse allowance and two Lascars on Rs. 7 each were sanctioned by Government in G. O. No 533 dated 21st August 1895.

2. When I was appointed to acquire lands in the Kapahala Division, I was personally instructed by the Engineer in Chief that I should acquire lands on both sides of Kapahala

Bapatla Simultaneously so that work may be proceeded with, in the two directions. To enable me to get lands measured simultaneously I proposed, with the approval of the Engineer in Chief the entertainment of two measuring officers on Rs 30 each with one Lascar on Rs 7 attached to each of them. The staff was accordingly sanctioned in G.O. No. 64 R dated 25 September 1895.

3. I proposed only one Lascar to each measuring officer with the expectation that the village servants would assist the measuring officers in holding the measuring chains etc. But from the experience of the past two months I find that the measuring officers cannot easily secure the services of the village vetties to hold the chain and that their work is consequently delayed as they could not measure land with the one Lascar attached to each of them.

4. I beg to bring to your notice, as an instance, the conduct of the village servants of Chinnia Ganjam in not attending to the call of the measuring officers on the 13th, 17th & 18th instants. His report on the subject No 18 dated 19th December is submitted with its enclosures for perusal.

5. As this is a season in which Agrarian work and Revenue Collection business are vigorously to be attended to, village officers, cannot I think conveniently spare the services of vetties for holding the measuring chain with the measuring officers. To enable the measurement of land without waiting for village vetties it

seems

seems necessary that each measuring officer should have another Lascar. I therefore request you will be good enough to obtain sanction of Government for entertaining two more lascars on Rs 7 each under the existing measuring officers.

Indorsement thereon by J. N. Atkinson Esquire
Collector of Kuttua R.C. No. 7329 Per 8, 29. 12. '95.

Submitted to the Secretary to the Commission-
ers of Land Revenue, Madras with the request that they will obtain the sanction of Government for the entertainment of the establishment proposed to by the Deputy Collector.

2. The remarks contained in para 2 of this office
Indorsement R.C. No. 8965 Per dated 7. 12. 95.
are applicable to this case also.

Resolution

Submitted for the sanction of Govern-
ment.
