From Major W. L. C. BADDELEY, R.E., Superintending Engineer, II Circle,
to the Chief Engineer for Irrigation, dated Bezwada, 16th August 1896,
No. 1287 K.

In reference to G.O., No. 538 I. of 25th June 1896, I have the honour to suggest that the limitation of boat rent to be charged to upper subordinates should apply to the boats now in use in the Kistna divisions. A case has been brought to my notice in which an upper subordinate drawing Rs. 250 is charged Rs. 30 for the rent of his boat. It is not possible to provide him with a cheaper boat; but the rent is exorbitant under the circumstances.

ORDER—No. 746 I., 'dated 3rd September 1896.

The suggestion of the Superintending Engineer, II Circle, is approved.
