SEPTEMBER.

Certain transfers of — for works in the North Arcot and Tinnevely divisions, sanctioned.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Irrigation.
Account.

READ—the following papers:—

[Statement.]

11th September 1896.

(Signed) G. B. LAMBERT,
Executive Engineer.

Submitted to the Chief Engineer for Irrigation for favour of sanction.

18th September 1896.

(Signed) J. HANNAN,
Suptg. Engineer, IV Circle.

From W. HUGHES, Esq., Superintending Engineer, VI Circle, to the Chief Engineer for Irrigation, dated Trichinopoly, 18th September 1896, No. 1081 T.N.

With reference to your memo. No. VI./59 T.N., dated 10th instant, I regret I cannot recommend any transfers to meet the cost of the diversion of the Tambraparni right bank in the 10th mile below Srivaikuntam, nor can I accept the responsibility of leaving the breach open.

I should be obliged by your letting me have definite orders whether to close or leave the river bank breaches in the Tinnevely and Trichinopoly districts, and in connection with this I beg to submit that, as the breaches occurred in these two districts before those in the Kistna and Godáviri, this circle had and has a prior claim to a share of such funds as are available or can be obtained already, works have been postponed as much as possible without injury to the revenue or upsetting contracts in order to provide funds for closing breaches in Tinnevely, and funds still required cannot be provided except by a wholesale stoppage of Tank Restoration works.

Memo. No. VI./64 T.N.

With reference to letter, No. 1081 T.N., dated 18th instant, from the Superintending Engineer, VI Circle, the undersigned has the honour to inform him that an additional grant of Rs. 15,000* has been

* Exclusive of establishment and tools and plant charges.

will be shortly issued and works may therefore be proceeded with. The grants for the circle under this head will be further augmented, should funds be made available by surrenders from other circles later on in the year.

(Signed) F. J. WILSON,
Asst. Chief Engineer for Irrigation.

No. 169 I.

Submitted to Government. The net surrender from the IV Circle may be transferred to meet the urgent outlay required to be incurred on the diversion of the Tambraparni right flood bank in the 10th mile below Srivaikuntam anicut.

2. The transfer of Rs. 4,000 under "Minor Works for which neither Capital nor Revenue Accounts are kept, P.W.D., Repairs" to "Minor Original works" under the same head, may be sanctioned by the Superintending Engineer, IV Circle.

(Signed) R. R. E. DRAKE-BROCKMAN, Col., R. E.,
21st September 1896. Chief Engineer for Irrigation.
