No. 764.

Sir,

the construction of these vessels, these plates, which are not available in Dockyard stock, will have to be procured from England and thus some unavoidable delay must necessarily occur, but in view to minimizing this delay as much as possible the Director, Royal Indian Marine has been instructed to telegraph for the plates from England.

A further communication will be made to you on receipt of information as to how long it will take to complete and deliver the steamers in question.

4. It is understood that the estimated cost of the construction of the two steamers, viz: Rs. 57,000, will be met from the provision for capital outlay on the Krishna delta system under "III Tools and Plant, & Navigation Plant."

I am, Sir,

Your most obedient servant,

E. G. Banerjee

for Secy. to the Govt. of India.

Copies of the foregoing, with copy of that to which it is a reply, forwarded to:-

The Finance Department,

The Public Works Department,

The Director of the Royal Indian Marine,
for information and guidance, together with the

designs of the steamers. Information is requested
as to how long it will take to complete and
deliver the steamers in question and also whether,
with reference to Marine Department telegram
No. 714, dated the 14th August 1896, one of the
steamers at least could not be completed
by May next.
