"I think the object desired by the
Chief Engineer could be best attained if after
"Collector of Madras" in the draft Notification
were inserted the words-

"who, in the selection of licensees will be guided by
the recommendations made by the Superintendent of
Works."

What is desirable is that the collector's administrative
machinery should be employed for working the
act, but the actual number and personnel of
the licensees should be determined by the Super-
intendent of the Works, who is really responsible for
the good order of the Camp."

ABSTRACT.—Instructing the Resident in Travancore to inform the Darbar of the views of the Government of India as to the terms on which a further cession up to 31st December 1896 is desired of the criminal and abkari jurisdiction over the Periyar camps; as also what action he should take in the event of the Darbar not acceding to those terms.

Proceedings of the Board of Revenue (Separate Revenue), dated 8th October 1894, Mis. No. 4281, on G.O., dated 22nd September 1894, No. 3725.

Resolution—dated 8th October 1894, Mis. No. 4281.

With reference to the correspondence ending with the Government Order read above the Board requests instructions as to whether Government wishes it to take any steps for working the abkari revenue of the Periyar camp. From the papers communicated with G.O., dated 17th September 1894, Mis. No. 3631, it was presumed that the superintendence of the working of the liquor shops, &c., was to be in the hands of the Superintendent of Works. The Government Order now received, however, has been communicated to the Board for information and guidance; the Board is therefore in doubt as to the intention of Government.

2. It is requested that orders may be communicated by wire if it is intended that the Salt and Abkari Department should take the management.

From S. D. PEARS, Esq., Superintendent of Works, No. I, Periyár Division, to the Chief Engineer, Public Works Department, dated Periyár, 29th September 1894, No. 127-C.E.

I have the honour to forward for your disposal a copy of the Travancore Resident's letter, No. 2978, of 22nd September 1894, with its second enclosure, being a draft notification of the cession to the British Government of the abkári jurisdiction in this camp.

2. Acting upon the first enclosure (the provisional license) and upon the Resident's previous telegram referred to by him, I am making temporary arrangements for the sale of liquor—country and Europe—pending the final cession of the abkári jurisdiction.

3. Regarding the keeping of separate accounts on the lines indicated in the Resident's telegram to the Chief Secretary communicated to me with G.O., No. 2402 W., of 24th September 1894, I request that I may be instructed if these are to be kept in my office, and, if so, what expenses they are to include. In case of my having to keep the accounts, I beg that the Judicial and Police departments may be ordered to furnish me monthly with the expenses of administering criminal jurisdiction, magisterial and police, in the Periyár camp, from such date (which I will hereafter notify to them) as the sale of liquor recommences in the camp.

ENCLOSURES.

From H. B. GRIGG, Esq., M.A., C.I.E., Resident in Travancore and Cochin, to the Superintendent of Works, No. I, Periyár Division, dated Trivandrum, the 22nd September 1894, Reference on C. No. 2978.

In continuation of my telegram of the 16th instant, I have the honour to forward herewith, in original, a provisional license by the Diwan of Travancore authorizing you to issue temporary licenses for the sale of liquor in the Periyár camps. The provisional license will have effect up to the date from which the cession of abkári jurisdiction comes into operation, viz., the date of His Excellency the Viceroy's notification regarding it. Any temporary license issued by you on the authority of this provisional license will therefore cease to have effect from the same date.

2. I am also forwarding for your remarks copy of a draft notification regarding the cession, to be ultimately issued by the Government of India. I shall be much obliged to you if you will submit the same to the Political Department through the Public Works and Revenue Department of G.O., dated 27th August 1894, No. 597, Political. The Diwan of Travancore intimates that he has no objection to raise against it.

Draft Notification by the Foreign Department of the Government of India.

Whereas His Highness the Maharaja of Travancore has granted to the British Government abkári jurisdiction also within the lands in his territory which are occupied or may be hereafter occupied by the Periyár Project camps.

In exercise of this jurisdiction and of the powers conferred by sections 4 and 5 of the Foreign Jurisdiction and Extradition Act XXI of 1879 and of all other powers enabling him in this behalf and in continuation of the orders contained in Foreign Department Notification No. 755-I of the 18th February 1892, the Governor-General in Council is pleased to issue the following further orders:—

(1) The Madras Abkári Act I of 1886 shall be deemed to be in force in the said lands.
(2) The Governor of Fort St. George in Council and all officers of Government subordinate to him exercising authority in the Madura district under the said Abkári Act shall have within the said lands the same powers as they may respectively exercise under the provisions of the said Abkári Act within the British territories subject to their administration.

(3) Subject to any directions from time to time given by the Governor of Fort St. George in Council by notification in the *Fort St. George Gazette*, all courts having for the time being criminal jurisdiction within the Madura district shall, for the purpose of the above Act, in addition to the purposes specified in Foreign Department Notification, dated 18th February 1892, No. 755-I, exercise the like jurisdiction within the said lands.

Note by the Chief Engineer, Public Works Department, dated 10th October 1894.

I see nothing to object to in the draft notification, which appears to carry out the decision which has been arrived at regarding the abkári jurisdiction, and the sooner it is issued the better.

* * * I am decidedly of opinion that the management of the abkári should be in the hands of the Collector of Madura, who understands, or has at his disposal subordinates who understand, the details of the work. I have never contemplated its being in the hands of the officers of this department.

At the same time if the Government considers that it will be more convenient for the Superintendent of Works to undertake this duty, the latter will no doubt carry it out to the best of his ability.

The Board begs leave to report that the draft notification submitted by the Resident in Travancore appears to be sufficiently clear and full, and may be adopted.

2. With reference to the working of the Abkári Act in the camp, the Collector who has the control of the revenue of the whole district will be the best person to be entrusted with it, and the Sub-Magistrate in the Periyár camp may exercise the powers of a Deputy Tahsildar for the purpose in view. On receiving the further orders of Government, the Collector will be requested to report the arrangements he would propose.
