Sir,

I have the honour to request that I may be favoured with 5 copies of Government of India Public Works Department letter No. 216 R.E., dated 12th July 1895, appointing a Committee to report on the relative merits of certain appliances for interlocking points and signals, and 5 copies of the full report, as well as of the conclusions of this Committee, which it is understood, assembled on the 20th November 1895 at the office of the Manager, North Western Railway.

I have the honour to be,

Sir,

Your most obedient Servant,

Harry Cress

Ag. Agent & Manager.

I am pretty sure we have for which make another search.

With reference to my letter No. 582/967 dated 30th October 1896, and in reply to your telegram of 12th November 1896, I have the honor to inform you that the Government of India letter No. 216, R.S. dated 12th July 1896 is not referred to in any correspondence from this office, but was received demi-officially.

I enclose a copy of the "Conclusions of the Committee," for your perusal and to be kindly returned, and request that you will be so good as to obtain and send me 3 copies of the full report of the Committee on which the accompanying conclusions were based. Mr. Hodson showed the Ag Chief Engineer a copy of this full report which it is presumed has been published.
