READ—the following paper:—

From J. C. LARMINIE, Esq., M.I.C.E., Superintending Engineer, I Circle, to the Chief Engineer for Irrigation, dated Dowlaishweram, 27th November 1896, No. 1780 G.D.

I have the honour to submit, for sanction, a statement showing the proposed closure of canals in the Gódávári district.

2. The dates of closure and re-opening have been settled in consultation with the Collector.

3. The Chamber of Commerce suggests that the period of closure might be shortened by the use of proper appliances for removing silt and the Collector supposes that this suggestion cannot be taken into consideration at present, to which I agree.

ORDER—No. 1057 I., dated 16th December 1896.
