No. 89

Simla, the 19th June 1897.

The under-mentioned paper is forwarded to the Local Governments and Administrations, and to the officers noted in the margin, for information and communication to the administrations of the several railways under their control.

- The Governments of Madras, Bombay, Bengal, and Burma.
- The Chief Commissioner of Assam.
- The Resident at Hyderabad.
- The Agent to the Governor General for Rajputana.
- The Consulting Engineers to the Government of India for Railways, Calcutta, Lucknow, and Assam.

By order,

G. A. Anderson

Under Secretary.

No. 210 T., dated 20th May 1897.

From—The Director General of Railways,

From—The Director General of Railways,
To—The Managers, North Western, Oudh and Rohilkhand, Eastern Bengal and
East Coast railways.

I have the honour to inform you that a great deal of correspondence and unnecessary work is thrown on this office by the failure of the station staff to obtain haulage certificates in accordance with Public Works Department resolutions No. 0030 R. T., and No. 633 R. T., dated respectively, the 13th December 1890 and 6th August 1891, to cover the running of the carriages of various high officials, and in certain cases when the officials concerned have left the country it has been impossible to verify the claim.

2. In this connection I have to observe that there can be no objection to the station or train staff ascertaining, from time to time, at convenient stations during daylight, that the necessary haulage certificates have been given, and obtaining others, where necessary.

3. As regards *empty* haulage I have to refer you to Government of India resolutions Nos. 54 R. T., dated the 17th January 1885, and 616 R. T., dated the 30th. October 1893, from which it will be seen that all that is required is a certificate from the Traffic Manager or Traffic Superintendent of a railway to the effect that the carriages were actually run empty for the distance charged for.
