I suppose we  
will have to obtain sanction  
of Govt. for the purchase  
of the book when it  
arrives.

I see we have  
made a mistake because  
we had not been aware  
of the fact that the  
book should have been  
obtained through the  
Dept. but as we are  
unable to do so through a  
local firm I think we  
may sanction by P.O. -
