Application for Leave.

FROM

THE

TO

THE

Orders by sanctioning authority.

1. All applications for leave must be made to, or through the departmental superiors of the applicant in this form; in the case of accountants and members of the upper and lower subordinates, petty or office establishments, they should be accompanied by a duly attested extract from the applicant's service book, showing his previous leave and service. This form is not applicable to applications for furlough from Military officers and subordinates, see Vol. I, Chap. V, paras. 12, 14, 47 and 100.

2. All applications for leave from officers for whom leave and service registers are maintained, will be forwarded by the applicant through the usual channel to the Examiner, who will draw up a statement of previous leave granted to the applicant. If the leave can be granted under the rules, the Examiner will certify the fact. The Examiner will then forward the application and certificate to the officer vested with power to grant the leave or to the local Government or the Administrative Head of a Railway by whom it will be submitted, when necessary, to higher authority.

I beg to solicit permission to forward the attached application for furlough to the Govt. of India with such remarks as the Govt. of Madras may wish to make.

Mr. Upsett, for whom I am officiating, is due back from his six months furlough on 21st August. and it is understood that he has been permitted to return in the Sec. of Sec. but it is very doubtful whether he will return to Madras. as there is an appointment at Sec. which he is bound to accept. If he does not get the appointment, it is bound to be possible that he will get the leave extended.

This uncertainty, however, should not make any difference to my leave as when I was offered this app. in March (when about 1:30 on furlough from Sec. of Sec.) I stipulated to the Director Sec. of Sec. that my furlough should not be delayed beyond August. When Mr. Upsett returned from a visit.

I may add that I like the appointment very much & would willingly remain in it, if my friends.
