Copy of letter No 421 dated 24th August '97
from the Examiner of Guaranteed Railway
Accounts, Madras, to the Accountant-
General P.W.D.

With reference to your letter No 1281 E
dated 10th instant, I have the honour to
submit a proposition statement for
revision of the accounts establishment
of this office and to explain below the
reasons for the proposed increases over
the existing staff:-

Accountants 3rd grade - Increase of one -

It is very desirable that accountants of
graded not lower than the 3rd should
be attached to the following offices &c

Test Audit Branch - Existing staff one
accountant 3rd grade, Permanent - The
accountant attached to this branch
practically holds an independent
subordinate position and is employed
continuously in test auditing stations
and offices on both the Madras and
South Indian Railways.

Concurrent Audit; M. Railway. Existing
staff 1 accountant 3rd grade temporary
rank - This accountant works on

the Company's Audit Office which is situated 3 miles from my office, and holds a semi-independent and responsible position.

Concurrent Audit, South Indian Railway, Branch Office, Trichinopoly.

Existing staff 2 accountants 4th grade. The senior accountant should be of the 3rd grade as during the Deputy Examiners' absence on inspection duty, casual leave etc, he is required to carry on the work and has responsible duties to perform.

Total of Accountants. Increased from 6 to 7. Provision has been made for an additional 4th grade accountant to be posted to the Madras Railway Audit office as the work has considerably increased of late, owing to the recent great improvement in the earnings of the line and to the working of the Madras Guntur Section of the Bezwada Madras Railway having been undertaken by the Madras Railway Company.

In addition to this the construction of the Calicut-Cannanore Extension of the Madras Railway which will shortly be put in hand, will cause an appreciable increase of work as the accounts

will be kept distinct owing to the new conditions as to exchange etc. under which the extension is to be undertaken.

Copy of letter No 493 dated 29th September 97 from the Examiner Railway Accounts, Madras to the Accountant General, P. W. D.

With reference to your letter No 1433 E, dated 8th Instant, I have the honor to submit a proposition statement for a revision of this office subordinate accounts clerical and menial establishments and to explain below the reasons for the proposed changes in the two latter:-

Clerks. The two additional clerks provided for are required for the purpose of checking, in the Madras and South Indian Railway Offices, the traffic and station accounts and especially the division of earnings between the home and worked lines.

Encls. 2/
P. W. D. No 20/97

The existing staff can devote little if any, time to this important work and as several instances have come to light of the worked lines not being credited with their legitimate share of receipts, it is very necessary that a more detailed check should be exercised by this office, such a check will be all the more

more important when the Madras Railway undertakes the working of a section of the East Coast Railway.

Peons. It is proposed to increase by one rupee the pay of the head peon who has drawn Rs 7 since his entertainment in 1872.

---

I have the honour to request that you will reconsider the requirements of your office in respect to Accountants and submit proposals to me for such revision as may appear to you to be necessary with reference to the duties which have now to be performed. The particular grades in which the Accountants are required should be specified in the proposition Statement, and, if no change in the total number be necessary, a proposition statement should still be submitted showing the grades in which the Accountants should be allowed in substitution of the present sanction for a numerical total.
