Note by the Examiner, Guaranteed Railway.
Accounts on the final figures re-
commended for adoption as the Revenue
revised and budget estimates of the
South Indian Railway for 1896-97 and 97-98.

1896-97. Receipts. The estimate of receipts
is now placed at Rs 90.50.000 against
Rs 92.50.000 previously proposed; the re-
duction being due to a heavy fall in
earnings during the past two months.

The approximate earnings to 6th February 96
are Rs 75.50.000, leaving a balance of
Rs 15.00.000 to be earned during the re-
maining few weeks of the official year,
or an average of about Rs 1.98.000 per week,
against the average of the past few months
of Rs 1.55.000 per week, but as very ^{heavy} re-
ceipts are expected from the passenger
traffic to the festival now being held
at Kumbakonam, the estimate will
probably be realized.

Expenditure - No alteration is proposed
in the previous estimate of Rs 51.00.000 for
working expenses, but the provision for
Companies

Company's share of net revenue receipts etc has been reduced from Rs 3.14.000 to Rs 3.00.000, owing to the proposed reduction in net earnings.

1897-98 - The figures now proposed, which may be accepted, compare as under with those provided in the revised estimate.
