Public Works Department, Railway Branch.

Calcutta, the 30th November 1897.

Sir,

I am directed to acknowledge the receipt of your letter No. 881 R., dated the 1st November 1897, communicating the views of the Government of Madras on the terms proposed for the working of a portion of the East Coast Railway by the Madras Railway Company.

2. His Excellency the Governor in Council considers that advantage should be taken of this opportunity to insist on terms being agreed to with the Madras Railway Company with a view to the free pass rules for Railway Servants being made applicable to the officers and men of the Police Department and also for the provision of special carriages for the Superintendent and the Assistant Superintendent, both on the Madras Railway and on the State line which it is proposed that that Railway should work.

3. With reference to this point I am to enquire how far the Madras Railway Company provides special carriages for its own officers.

SIR,

I shall be obliged by you informing me to what extent you can provide your officers with carriages either for their own special use, or by lending them carriages for use during tours involving their absence from their homes on staff quarters at night. A copy of any detailed rules you may have laid down will be useful.

The information is asked for in connection with a question which has been raised as to the provision of special accommodation to certain officials of the Police Dept. who are duty in connection with Railway work, and I shall be glad if you can forward it to me with as little delay as possible.

In reply to your letter No. 3722 of the 6th instant,

I have the honor to state that there are only three Carriages on this Railway which are strictly reserved for the use of officers.

These Carriages are E 3 which is reserved for the use of the Consulting Engineer & E 2 and E 1 which are used by the Chief Engineer and the Telegraph Engineer respectively for inspection tours. There are three other Carriages, viz. A 2, A 3 & A 8 which are used by the Agent and Manager, the Loco Superintendent and the Traffic Manager when they are available but as these Carriages are, under the Board's orders, available also for the public, they are not regarded as strictly reserved Carriages.

Staff quarters can have the use of a Composite or a 2nd class Carriage, if such a vehicle is available at the Head Quarter Station of the District.

We have no special or detailed rules regulating the use of the Carriages I have referred to.

I think my Board would perhaps be prepared to accept an arrangement for hauling a special Carriage for the local Police Officers over this Railway, on the favoured terms that have been accepted for hauling Carriages with the Director General and other State Railway Officers.
