Sheik Ambu Sarang Sahib garu of Viragapatam.

The bungalow with its compound at present occupied by Messrs Stuart Hall & Co belongs to me. I saw the piece of land measuring 115 Square yards belonging to the Compound shown to me by the Deputy Tahsildar of Viragapatam as required by the Railway Department. I do not like to part with the above portion as it will diminish the extent of the Compound and will thereby cause obstruction to the stacking of logs there.

SIR,

I have the honor to forward herewith for approval and publication in the Fort St. George Gazette a draft notification under Act I of 1894 for the acquisition of a small piece of land measuring about 2½ cents in the town of Vizagapatam required by the East Coast Railway for the construction of an approach road to the Goods Shed on the wharf. The owner of the land objects to its acquisition on the ground that the extent of his compound will be diminished, which I think is frivolous. A translation of his statement is submitted herewith.

I have the honor to be
