READ—the following paper :—

From G. H. D. WALKER, Esq., Under-Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 20th August 1889, No. 2378-G.

Referring to Public Works Department letter No. 1885-G., dated 26th September 1887, I am directed to state that, in order to give a longer notice to officers who may be retired under the terms of Public Works Department Resolution No. 1884-G., dated 26th September 1887, the names of those who will reach the age of 50 years within the two calendar years following upon the submission of the report, and who have not, on the date of the report, been appointed Superintending Engineers, should be submitted on the 1st January of each year with the necessary information called for in the letter above referred to, and with the recommendation of the Local Government as to whether they should be retired or not. It is desirable that a supplementary report should now be submitted of officers who have attained or will attain the age of 50 up to December 1890, and whose names have not been already included in the report which was due in December 1888.

In making recommendations, attention should be paid to the orders quoted in the margin, in which the method of applying the rule to particular cases which fall under it has been modified.

ORDER—dated 13th September 1889, No. 2549 W., Public Works.

Communicated to officers of the Public Works Department in continuation of G.O., No. 1200 W., dated 6th May 1889.

2. The Examiner, Public Works Accounts, will submit a supplemental return as desired by the Government of India in para. 1 of their letter.
