Note by the Examiners, Guaranteed
Railway Accounts on the final figures
recommended for adoption as the Capital
revised and budget estimates for 1896-97
and 1897-98.

1896-97. - The estimate is now placed
at Rs. 8,000 or Rs. 3,000 less than that
previously proposed. The decrease is due
to short outlay on the extension of the
through siding at Sondiarpettai.

1897-98. - The figures now proposed are
Rs. 6,000 in excess of that provisionally
sanctioned by the Government of India
and included in the preliminary issue
of the budget estimate.

The cause of the excess is explained
in this Government letter N^o 100 R dated
13th instant to the Government of India.
