A copy of the letter of the Governor of Pondicherry may be sent to the Agent S.R.C. with reference to his No 1030 of 16th October 197

The S.R.C. are at present bringing the English railway on to the Indian Accounts of the P.R. by at the half yearly rates of exchange applicable to their own line.

I think this procedure may well continue, any gain or loss by exchange being dealt with by the French authorities in bringing the rupee railway on to their own accounts in francs. They are apparently quite satisfied with the accounts as now prepared & rendered by the S.R.C.
