GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Railway.

Read the following papers:—

From the Officiating Joint Secretary to the Government of Madras, Public Works Department, Railway Branch, to the Secretary to the Government of India, Public Works Department, Calcutta, dated Madras, 26th February 1897, No. 131 R.

I am directed to forward the accompanying application (No. 149, dated 9th February 1897), from the Agent, South Indian Railway, for the creation of the post of Assistant General Storekeeper on a salary of Rs. 250 rising by annual increments of Rs. 25 to Rs. 350 per mensem, and to request the sanction of the Government of India to the appointment, the necessity for which is explained in the enclosed extract from the Agent's letter to his Board, No. 509, dated 25th November 1896. The appointment has received the approval of the Board of Directors (*vide* extract from letter, No. 183, dated 22nd January 1897, attached).

ENCLOSURES.

From the Agent, South Indian Railway, to the Consulting Engineer for Railways, dated Trichinopoly, 9th February 1897, No. 149.

In compliance with the instructions conveyed to me in the accompanying extract from letter, No. 183, dated 22nd January 1897, from the Managing Director, I have the honour to apply for the sanction of Government to the creation of the post of Assistant General Storekeeper on a salary of Rs. 250—25—350. The present salary of the appointment is Rs. 150 per mensem, which has been found quite insufficient to attract a suitable man. The post is now vacant, and as it is very necessary that the General Storekeeper should have relief as soon as possible, I shall be glad to receive early sanction to its creation on the above salary.

EXTRACT from letter, No. 509, dated 25th November 1896, from the Agent, South Indian Railway, to his Board.

STAFF.

Appointment of an Assistant General Storekeeper.—In the post packet I have placed a letter from the General Storekeeper advocating the appointment of an Assistant General Storekeeper on a salary of Rs. 250 rising by annual increments of Rs. 25 to Rs. 350 per mensem. The present pay of the post is Rs. 150 per mensem—a salary which has proved altogether insufficient to attract a suitable man. Since the post was first created in 1880 no fewer than five incumbents have held it—a condition of affairs which has not been to the Company's interest. The position of Assistant to the General Storekeeper is one of great responsibility and which should only be held by a gentleman of fair ability and undoubted integrity. I quite share Mr. Koeneman's opinion

that it is very desirable to secure the services of a reliable intelligent man to fill the post which is now vacant and to which, pending the Board's instructions, no appointment will be made. Mr. Koeneman, it will be observed, recommends that a man should be sent out from Home, and if the Board approve of the suggestion, which I beg to support, I shall be glad to be permitted to apply for the sanction of Government to the creation of the post on the salary recommended by the General Storekeeper.

EXTRACT from the Managing Director's letter, No. 183, dated London, 22nd January 1897.

With reference to the paragraph in your letter, No. 509, upon this question, the Board authorize you to apply to Government for sanction to the creation of the post of Assistant General Storekeeper at Rs. 250—25—350. It will be necessary that you should obtain a suitable man in India as, on enquiry here, it has been ascertained that the pay proposed is not sufficient to attract a properly qualified man from this country.

From G. H. D. WALKER, Esq., Under Secretary to the Government of India, Public Works Department (General), to the Officiating Joint Secretary to the Government of Madras, Public Works Department, Railway Branch, dated Calcutta, 13th March 1897, No. 715 G.

In reply to your letter, No. 131 R., dated 26th February 1897, I am directed to communicate the sanction of the Government of India to the creation of the post of Assistant General Storekeeper on the South Indian Railway on a salary of Rupees 250—25—350 per mensem, as approved by the Board in their letter, No. 183, dated 22nd January 1897.

ORDER—No. 201 R., dated 25th March 1897.

Communicated to the Agent, South Indian Railway, with reference to his letter, No. 149, dated 9th February 1897.
