The clerks of E. R's office
beg that a brahmin waterman
may be engaged to supply
them with water during the
whole of the year as is done
in other offices in chepauk.
There is one P. W. D. water-
man, who is paid 2 Rs. in
and in
his, his and his offices 1 Rs. each
a month. The same man
may be engaged on pay-
ment of 1 rupee a month
to supply water to the clerks
of this office commencing
from 1st June 1896 as the
weather is very hot and the
clerks feel very thirsty dur-
ing this season.

For this kindness they
shall be ever grateful.

I do not understand this. Sanction is already given for the current financial year for a workman on Rs 1/8 per mensem (see G.O. No 325 R of 10-4-96). Is the Brahmin workman to be engaged in addition to the man or is he in lieu of the temporary man sanctioned?
