In continuation of my letter
N^o $\frac{9587}{885}$ dated 8th October 1896 I have
the honor to inform you that Cholera
has broken out in the village of
Kathumakam and that the corpses
are being carried across the Railway
compound. I shall be obliged if you
will kindly request the collector to
fix the site of the new burial ground
at an early date as the introduction
of Cholera corpses into our premises
is a source of danger to the staff and
the travelling public.
