Sir,
 With reference to the new rules for
 Exchange Complementary advances issued under
 Govt of India for a Com. Dept. Resolution No
 2422 Sec of 31st May, 1909 I am directed to
 state that some difficulty has been experienced
 in deciding whether the Contracts which
 employes of the Madras Ry. Co. are required to enter
 into on accepting service with the Co. are such
 as fall within the meaning of Rule V (b) of
 the new Rules. I am accordingly directed to
 submit in regard (for Govt of India) the
 marginally noted Agreements of certain Officers
 & Subordinates, which are typical of all the cases
 which are likely to arise, and to request the
 favour of an authoritative ruling of the Govt of
 India on the subject.

It will be seen from para 4 of the Form of Agreement that the Contracts are for a period of

Mr. Francis 4th Dec^r. Auditor

four years, and from para 5 that the allowance
to be drawn during that period are dependently fixed,
(under para 10)
Although a general provision is also made for the
further continuance of the employee's services with the
Co., and a doubt arises whether such contracts
can, during the currency of the first fixed period
of 4 years, be rightly considered to be "preliminary
to employment in one of the regular services" of the
Co., and therefore exempt from the operation
of Rule V (b) of the Indemnity Compensation Allowance
Rules.

These agreements are typical
of a number of instances
in which the Agent-
General Madras R. Co. has
submitted applications for
S.C.A. from officers appointed
in England.

Some doubt is felt as to
whether contracts of this
nature are to be held as
falling within Rule Vb.

of the new E.C. rules
or not. The order of
the Govt of India are
therefore requested as to
whether or no exchange
