1. All applications for leave must be made to, or through the departmental superiors of the applicant in this form; in the case of accountants and members of the upper and lower subordinates, petty or office establishments, they should be accompanied by a duly attested extract from the applicant's service book, showing his previous leave and service. Leave

I beg to solicit permission to forward the attached applicatn for furlough to the Govt. of India with such remarks as the Govt. of Madras may wish to make.

Mr. Upcott, for whom I am officiating, is due back from his five months furlough on 21st August, and it is noticed that he has been "permitted to return" by the Secy. of State, but it is very doubtful whether he will return to Madras, as there is an appointment at Simla which he is believed to be likely to get. If however, he does not get this appointment, it is believed to be probable that he will get his leave extended.

This uncertainty, however, should not make any difference to my leave, as when I was offered this appt. last March (when about to go on furlough from Quetta) I stipulated with the Director General of Rys, that my furlough should not be delayed beyond August, whether Mr. Upcott returned here or not.

I may add that I like this appointment very much & would willingly remain in it, if my private

Sir,

I am directed to forward herewith, for the sanction of the Govt. of India, an application from Mr. C. W. Hodson for furlough for 15 months from or after the 15th August 1896.

(2, Mr. Upcott is due back on 21st August 96 and if he returns to this appt. at that date, no substitute is required; but, if not it is requested that some one else may be nominated as early as practicable, as Mr. Walsh is anxious to be relieved before the end of August, as ~~stipulated~~ intimated by him before he came to Madras.

(3) If no senior officer is immediately available for the purpose Mr. J. D. Foster, Deputy Currency Offr. might be allowed to officiate as Currency Offr. ~~[illegible]~~ here for a few months. But in that case it is desirable that a junior officer should be sent to officiate as deputy ~~for that period~~ in his place.

The Govt. of India having sanctioned my leave and given permission (subject to the approval of His Excellency the Governor) for my handing over to Mr. Fowler. I beg to request permission to do so. I should like, if I can get accommodation, to leave Bombay by the steamer of 22nd inst and to start from here on the 17th or 18th inst.

Mr. Fowler will at that time be engaged in the half-yearly inspection of the M. Ry. and I shall meet him somewhere ~~in the~~ between Bangalore and Podanur. and I beg to solicit permission to make over charge to him there (see Civil Service Regulations Art. 67) as otherwise I should be obliged to wait till the inspection is over and lose a week or more.

Mr. Upcott's name appears as a passenger on P. & O. SS. Shannon due at Bombay on 15th. but it is not known for certain that he is on her, or whether if he is, he will return to duty ~~at~~ at Simla or here. If the latter he will be able to assume charge from Mr.
