To the Government of India, Public Works Department, dated 10th December 1896,
No. 1031 R.

ABSTRACT.—Forwarding, for approval, a list of stations on the Bezwada-Madras Railway with their code initials.

From the Under Secretary to the Government of India, Public Works Department (Railway Statistics), to the Officiating Joint Secretary to the Government of Madras, Public Works Department, Railway Branch, dated Calcutta, the 11th January 1897, No. 25 R. Stat.

In reply to your letter, No. 1031 R., dated the 10th December 1896, I am directed to communicate the approval of the Government of India to the names of stations on the Bezwada-Madras Railway and their code initials as shown against the names in the accompanying list.

2. It will be observed that the final *o* in the name Ongole should not be accented and the first *e* in Vetapálemu should have an accent, in accordance with the Authorized List of the more important places in Madras.

3. The names Gúdúr, Venkatáchalam and Tadépalli have already been approved by the Government of India and are spelt as Gudur, Vencatachellum and Tadépalli, respectively.

4. As regards Sullúrupéta, Súraredipálem, Chirála and Tenáli, I am to point out that the code initials proposed are identical with those in use for other existing stations on the East Coast (State), Morvi, Bengal and North-Western and Ennúr section of the Bezwada-Madras Railways, respectively, and to suggest that, if there be no objection, the letters S.P.E., S.D.M., C.L.X. and T.E.L., respectively, be adopted for these four stations.
