In compliance with the orders contained in Railway Board's letter No.R.C.278-B/4, dated the 28th September 1906, the Government of Bombay forward for transmission to the Railway Board an estimate furnished by the Agent, Southern Mahratta Railway Company of the cost of land required for the Bezwada-Masulipatam Railway. The Government of Bombay ask that the countersignature of the Chief Revenue Authority to the estimate may be obtained in the first instance in accordance with the instructions contained in para. 4 of Government of India, P.W.D. Circular No.XI Railway dated the 21st September 1895 on the subject of the preparation of estimates of the cost of land required for railway or other large public projects.

From the estimate, it does not appear if it has been verified by the Special Deputy Collector who is in charge of the acquisition of the lands.

Flag H.

Under para.4 of the Government of India Circular quoted above, this estimate which is in excess of one lakh will have to be countersigned by the Chief Revenue Authority of the province before sending it on to the Railway Board. It is presumed that the Chief Revenue Authority of this province is the Board of Revenue and they may probably refer the estimate to the Collector of Kistna for verification. It would therefore seem unnecessary for this Department to refer it to the Special Deputy Collector
