FINANCIAL DEPARTMENT.

READ—the following papers:—

I

G.O., Nos. 203-204, Financial, dated 13th March 1906.

ABSTRACT.—Instructing heads of departments to fill in carefully the entry "Revenues and Imperial head of Account or Grant to which cost is chargeable" in the form for indents for stores to be obtained from England and to enter clearly the head of account and also the section of accounts to which the stores are chargeable and directing that the Government of India be addressed.

II

Letter—from M. M. S. GURRAY, Esq., I.C.S., Officiating Under Secretary to the Government of India, Department of Commerce and Industry (Stores).
To—the Chief Secretary to the Government of Madras.
Dated—Simla, the 26th April 1907.
No.—3545—3559—30.

I am directed to forward a copy of a despatch, No. 6, Financial (Stores), dated the 22nd March 1907, received from His Majesty's Secretary of State for India, and of its enclosure, and to request that, with the permission of His Excellency the Governor in Council, the attention of all officers concerned may be drawn to the necessity of stating clearly and fully in indents for stores the head of charge to which the cost is to be carried.

ENCLOSURES.

(1)

Letter—from the Right Honourable the Secretary of State for India.
To—His Excellency the Right Honourable the Governor-General of India in Council.
Dated—India Office, London, the 22nd March 1907.
No.—6, Financial (Stores).

I forward a copy of a report by the Director-General of Stores bringing to notice the heads of service of indents, difficulties which frequently arise owing to indents not stating clearly the head of service to which the cost of the stores is chargeable.

2. I request that the attention of all officers concerned may be drawn to the necessity that indents should state clearly and fully the head of charge to which the cost is to be carried.

(2)

Report by Director-General of Stores dated 25th February 1907.

Heads of charge to which indents should be carried.

An indent, dated 1st February 1906, for stores for the Board of Revenue (Land Revenue), Madras, stated that the "Revenue and Imperial heads of Account or Grant to which cost is recoverable" was "30-C. Stationery and Printing."

2. Stationery and Printing is an Imperial head of service, and the cost of the stores was therefore charged off finally in the Home accounts.

3. In letter No. I./129, of 27th January 1907, the Comptroller and Auditor-General, Calcutta, stated that the cost should have been included in the Remittance account as an expenditure on account of Provincial Services, and the necessary transfer has now been made.

No. 297, FINANCIAL, 17TH MAY 1907.

4. Owing to insufficiency of information in indents, difficulties frequently arise in determining the service to which the cost of the stores is chargeable.

5. It is therefore thought desirable that the attention of indenting officers should be drawn to the necessity for fully describing the head of charge to which their indents are to be carried.

Order—No. 297, Financial, dated 17th May 1907.

The attention of all heads of departments is again drawn to the necessity of stating clearly and fully under the entry "Revenues and Imperial head of Account or Grant to which cost is chargeable" in the form for indents for stores to be obtained from England not only the head of account but also the section of the accounts, Imperial or Provincial or Imperial and Provincial jointly, to which the cost of the stores is chargeable.
