PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper:—

(Ry. Branch)

Memorandum from the Public Works Department, No. 3520 C,
dated 14th August 1897, transferring letter from the Agent and
Manager, Madras Railway, on the subject of the early construc-
tion of a feeder road to Cauvery station.

From the President, District Board, Salem, No. 238/Govt.,
dated 25th September 1897.

In returning herewith the endorsement of Government No. 894 dated 21st August 1897, I have the honour to state that a provision of Rs 250 has been made in the current year's budget for the construction of the feeder road to Cauvery station. The necessary estimate has also been sanctioned and work to the extent of Rs 100 executed, but its further progress is stopped owing to a dispute by the land owners in regard to giving up the land. They naturally decline to give up the land till the standing crops on it are harvested. The matter has been referred to the Collector of Salem with a view to take possession of the land under the Land Acquisition Act. The work will therefore be completed before the close of the current official year.

Order No. 1983 L.Mis., dated 13th October 1897.

The President's letter read above will be communicated to the Public Works Department.
