Madras Railway Company

AGENT & MANAGER'S OFFICE,

RAYAPURAM TERMINUS,

Madras, 4th February 1907.

From

The Agent and Manager,

Madras Railway Company

To

The Consulting Engineer for Railways,

Madras.

SIR,

Additional accommodation required by the Government
Railway Police under the "reallocation scheme".

With his letter No.R.C.840/03 dated the 2nd October 1906
the Superintendent, Government Railway Police submitted a state-
ment giving the number of huts required by the police at once
and the "number required when the reallocation scheme is sanctioned"
and desired to know whether in view of the fact that the existing
huts had been built by the Railway we would "kindly provide
within Railway premises" the additional accommodation shown in
the statement.

The statement shows that 136 huts were at once required
and 101 on the scheme being sanctioned or 237 huts in all-
huts required at once.

N. E. Line at 10 Stations		55 huts.
" " Beach.		8 "
M. Ry., " Vashermanpet		5 "
" " Rayapuram		5 "
" " Central Station		12 "
" " 11 other stations		42 "
Calicut Azhikal Extension at 2 stations..		5 "
S. C. Ry., at 2 stations		3 "
Feeder Lines at 2 Stations		4 "
		136 huts.

huts

Huts that will be required when the reallocation is sanctioned.

N. E. Line at 4 stations		32 huts.	41
" at Beach		15 "	
Madras Ry., " Washermanpet		6 "	nil.
" Rayapuram		nil.	6
" Central Station		24 "	
" 4 other stations		21 "	
Calicut-Azhikal Extension at 1 station..		3 "	
		101 huts.	110

To this I replied as follows:-

" I have the honor to enquire what proposed reallocation is referred to. The original allocation of the Railway Police having I presume been settled in consultation with the Madras Railway it may possibly be considered desirable that this Administration should be referred to before any revised scheme is adopted."

" At Beach and Central Stations no sites for Police Quarters are available so that we could not undertake to build there in any case."

The Superintendent, Government Railway Police then referred me to G.O.No.1412 Judicial sanctioning the increase, and containing a statement showing the financial result of the redistribution, full particulars of which could be had in G.O.s Nos. 1826 Judicial dated 16-11-'05 and 451 Judicial dated 9-3-'06.

To this I replied that these Government orders had not been received.

Under the circumstances I have the honor to enquire what the wishes of Government are.

I have the honor to be,
Sir,

Your most obedient servant,

H. P. M. S. Carter

for Agent and Manager.

K.C.

Receipt No. 816.

No. O/2237/193, dated 4th February 1907 from the Agent and Manager, Madras Railway.

Subject:-- Additional accommodation required for the Government Railway Police.

The Agent and Manager, Madras Railway, reports that the Superintendent, Government Railway Police has applied to him for the construction of huts at certain stations on the Madras Railway and the North East line. The number at once required is 136, and 101 more are, it is stated, required when the re-allocation scheme is sanctioned. The scheme for the re-organization of the Railway Police is dealt with in G.Os. 1826 Judicial, dated 16-11-1905, 451, dated 9th March 1906 and 1412, dated 22nd August 1906, but no information can be gathered from these papers as regards the stations where Police huts are required and what number at each of these stations. Further it is not clear what re-allocation scheme ^{is} referred to in the Agent's letter. The Agent enquires what the wishes of Government are as regards the Superintendent's proposals. Submitted the Agent's letter may in the first instance be referred to the Judicial Department for favour of remarks on the Superintendent's proposals.

Yes, after the number required and the stations at which they are required have been approved by the J. Dept. the Company will be asked to prepare estimates which will be sent to the Judicial Deptt for acceptance.

C. No. _____ From the _____, No. _____, Dated _____ 190 .

R E P L Y.

x p 59 mls
A statement showing the stations on the Madras Railway where huts should be constructed at once for the Railway Police and also the number of huts required at each station is submitted herewith. This statement differs from the one furnished by the Superintendent to the Agent and Manager in that it excludes huts at the following stations for the reasons noted against them:-

- (1) Waltair - Construction of huts at this station has already been approved of in G.O., No. 1289, Judicial, dated 2-8-1906. 0
- (2) Bezwada do. do. G.O., 371, dated 22-2-07. XXII
- (3) Bitragunta do. do. G.O., 253, Judl., dated 5-2-1907. M
- (4) Madras Beach - As the Agent says that no sites are available.
- (5) Madras Central Station do. do.
- (6) Perambur - A head constable's hut at this station is not necessary as the present strength of the station is only 3 constables.
- (7) Calicut - A re-arrangement of sections is under consideration which necessitates proposals being deferred.

The Superintendent included the construction of quarters for Sub- Inspectors; but, I consider that this may be postponed for the present

as the construction of huts is more urgent. Quarters for Sergeants at Madras Beach and Central Stations were also included by him. These quarters will, however, be constructed by the Public Works Department, and the question of suitable sites for them is now under correspondence. The huts included in the revised statement now submitted are, therefore, the only works which it would be desirable for the Railway Company to take in hand at an early date.

x 150 miles

x This has not been sanctioned finally. Only tentative sanction has been given by the authorities of the Police.

The question of additional huts required after the re-allocation can be taken up later.
