AGENT AND MANAGER'S OFFICE,

Madras, 19th October 1897.

To

SIR,

The Agent and Manager,
M. R. Coy.

The Consulting Engineer for Railways,
Madras

With reference to Government of India Circular N^o 606 R. I., dated 30th July 1897, forwarded with G. O. N^o 589 R, dated the 23rd August last, I have the honour to enquire whether I am correct in assuming that the cases referred to in Government of India Circular N^o XI dated 24th July 1894, still form an exception to the revised rules regulating the transport and importation of explosives as laid down in the Circular first above quoted.

2. I shall also be glad to hear that the special exception authorised in Government of India Circular N^o 6 dated 27th July 1894 in regard to the ammunition vehicles

vehicles being attached to Troop trains
and Passenger trains in times of public
emergency still stands good.

I have the honour to be,
Sir,

Your most obed^t Servant,

In letter received some
time ago India said that
we should not refer them

must embody the request

cannot lay my hands
at present on the 20. as
this is being delayed I
submit it for order -

My impression is that the
order referred to said that
where there was previous
correspondence it should be
referred to but that in the safe
side as many as will
redraft it - revised diff. perhaps
