Sir,

I am directed to acknowledge the receipt of your letter No. 558 R., dated 26th June 1896, and in reply to say that the Government of India approve of the agreement, submitted therewith, between the Government of Mysore and the Madras Railway Company, for working the Kolar Gold Fields Railway, with the exception of clause 6 (d).

2. With regard to that clause I am to remark that the Government of India have no objection to the proposed rate for the carriage of Government Mails, viz: 30 pies per mile for a whole vehicle, but they consider that the accommodation to be provided should not be limited to one sixth of a carriage, as, although sufficient for the present, more accommodation may be required by the Postal Department hereafter. The Government of India are also of opinion that provision should be made for the free conveyance of postal servants on duty, as is done on State Railways as well as on the Madras Railway. I am therefore to request that arrangements may be made for the

the concurrence of the Durbar and the Madras Railway Company for clause 6 (d) of the agreement to be revised as follows:-

"The Company agree to carry over the State Railway, all mails of the Imperial Post Office, as defined in the Post office Act, at the rate of 30 pies a mile for a whole carriage, or at a proportionately less rate for such accommodation less than a whole carriage as may from time to time be required. The Company further agree to carry over the State Railway postal servants on duty free of charge, in the same way as they are carried on the Madras Railway ".

3. With regard to your letter No. 621 R., dated 18th July 1896, I am to request that 60 copies of the agreement as finally approved may be forwarded for the use of this office.

I have the honour to be,
Sir,

SIR,

With reference to G. O. No. 800R. of the 18th instant regarding the Kolar Gold Fields Railway working agreement, I have the honour to inform you that in clause 6 (d) of the Agreement one-sixth of a carriage is expressly mentioned because the Postal authorities stated that accommodation to that extent would be sufficient. It is however, fully understood that if one or more additional compartments are required for the mails at any time a relative proportion of the rate fixed for a whole carriage, viz. 30 pies per mile, will be charged.

2. I have also to inform you that postal servants on duty are conveyed over the

the Kolar Gold Fields Railway free of charge, passes being granted half yearly on the requisition of the Inspector General, Railway Mail Service.

3. Under these circumstances the alteration of Clause 6 (d), of the Agreement proposed by the Government of India appears to be unnecessary.

I have the honour to be,

Sir I gather from ~~in reply to~~ your letter No. 5424^Q/831 d 22/9/96 that you have no objection to the principle of either of the ~~proposals stated in~~ modifications of para 6 (d) proposed by the Govt. of India but that you consider them unnecessary -

2. It appears to me that they are both necessary, because para 6(d) as it stands does not implicitly ~~state~~ quote a rate, except for one sixth of a carriage, whereas the wording proposed by the Govt. of India covers all contingencies from 1/6 of a vehicle up to a whole carriage

3. The fact that postal servants are actually carried free of charge on the K.G.F. does not make ~~it any the less necessary to the insertion of the clause in the agreement any the less necessary.~~ it any the less necessary to insert this condition in the working agreement

4. Under these circumstances I trust you will accept the modification of clause 6(d) proposed by the Govt. of India
