THE CONSULTING ENGINEER

FOR RAILWAYS,

MADRAS.

Sir,

To my Assistant Mr. T. H. Le Mesurier, who has not had any leave during his 9 years of service wishes to take two months privilege leave during April and May next. I have transferred Resident Engineer Mr. H. D. Johnston from the Chief Engineer's Office to mine, with the view of Mr. Johnston first making himself acquainted with the details of the Office work and subsequently acting for Mr. Le Mesurier when the latter avails himself of his leave; I have therefore to request sanction to this temporary arrangement (with effect from 1st February 1897) and to the re-appropriation of funds shown in the accompanying form of Abstract H.

In consequence of the abovementioned transfer, and the death of Assistant Engineer Mr. Manning the Engineering Department is somewhat short-handed and as the Chief Engineer will not be able to continue to spare the services of one of the permanent Staff for the Peralam-Karikal Railway I shall be glad if sanction can be accorded to the engagement of a temporary Engineer on a salary of Rs 600/- per mensem for the abovementioned railway for such time as may be required. The provision in the Estimate is for an officers on Rs 700/- per mensem.

Should the appointment be sanctioned the Chief Engineer recommends that the services of Mr. C. R. Dallas, who was for sometime employed by the Mysore State on the construction of the Bangalore Hindupur Railway, and with whom Mr. Spalding
