SIR,

In reply to your letter No 449 d/ 9th May 98, I have the honour to state that the report called for in my No 1314 d/ 7th May 98, is whether you require ~~also~~ the 40 cents also of land, refd to in para. 2 of ~~the~~ Collector's letter of the 8th April 98, Ref. on C. No $\frac{827}{Eng}$ of 97, as being in the possession of the Police Department.

D1

I presume this was your meaning when you asked for an early report.

16/5/98

No, there is some mistake, my remark was made thinking the letter was issuing to K as it should have. I don't know why Current No 1766 was ever sent on to A at all — 3 weeks after receipt.

The petition of the undersigned Mahomedan residents of Tanjore Town

—

With a view to provide for the Mahomedans of this Town to offer their Kuthba prayers certain dry lands were granted as Inam in favor of a Palli Vassal (mosque) known as Mahomed Ali Kuthba by His Highness the Raja Sahib of Tanjore At the time, wall and superstructure were raised according to our religious practices and an Êttika Palli Vassal (mosque) established. Since that time, our ancestors and after them we have been offering our prayers there for a long time

We hear that Government intend taking possession of the Êttika Pallivassal land as the same is required by the South Indian Railway Company and that under your orders the Tahsildar has measured the plot

We therefore pray for orders that the Ettka Palli Vassal and the land attached thereto where our ancestors and afterwards we have been offering prayers from the time of the Maharaja Sahib, may not be taken up for Railway purposes and that we may be allowed to enjoy our land and the Palli Vassal as heretofore
