MADRAS COLLECTOR'S OFFICE,  
3 September 1898

From

J. N. Atkinson Esq  
COLLECTOR OF MADRAS,

To

Enclosures. 7.

The SECRETARY TO GOVERNMENT,  
Public Works DEPARTMENT,  
MADRAS.

SIR,

Referring to the correspondence  
ending with G. O. No 173 R dated  
17<sup>th</sup> March 1897, I have the honor  
to state that the extent of land  
still to be acquired for the washer-  
manpet salt cotton loop line  
as per requisition of the Consulting  
Engineer for Railways made in  
January 1896 is 2 cawmes 15  
grounds and 146  $\frac{3}{4}$  Sq. ft. which is  
made up of 5 blocks. Of this  
an area of 3 grounds and 12 04 Sq ft  
forms part of a Municipal Road  
and need not be acquired as  
it

it will not be interfered with. Of the remainder, 19 grounds and 1502 sq ft is govt land but in private occupation to the extent of 12 grounds and 1842 sq ft. on which 3 Churnam Kilus and a tiled building now stand, and the remaining area of 6 grounds and 2060 sq ft. is vacant. The rest of the land is private property and it measures 1 Kani 15 grounds and 2240  $\frac{3}{4}$  sq ft. I beg to submit for approval and publication in the Fort St George Gazette two draft notifications under the Land Acquisition Act one for acquiring the private land and the other the Churnam Kilus and the tiled building on the Govt land. The Churnam Kilus have been included in the draft notification on the analogy of similar cases inserted in the notification disposed of in the G.O. quoted above. The tiled building however, appears to be

be an unauthorized construction but the question of paying any compensation at all will be fully gone into and disposed of when actually taking it up.

2. I also solicit sanction to hand over to the Railway Department the extent of 19 grounds and 1502 sq ft of government land referred to above.

3. The Connected papers as per accompanying list are forwarded for reference and return.

I have the honor to be,  
Sir,  
your most obedient Servant.

J. N. Thurston  
Collector.
