SUBJECT.

Mr Scovell's transfer to the Mari-Attock Railway

FOR ORDERS.

Mr C.T.R. Scovell, Dy. Consulting Engineer, has been intending to take furlough in January next, and in that case I should have had to get another Deputy in his place. But the Govt. of India offer him work now which it suits him to accept though it will keep him a few months longer from his furlough. Mr Scovell is willing to go, so as to get a spell of practical experience after about six years in this office, and he is quite right, and I would not wish to stand in his way.

Ordinarily I would want another man to replace him, but I can carry on during the next three months, when inspections will begin and I shall be short handed.

I propose to ask for Mr J. Woodside, Ex. Engr 3rd grade, 12 years service, on furlough until 23rd October next, or failing him Lieut W. E. Smyth. R.E. same rank, (temporarily), 8 years service. Both are good men. I ask your Excellency's consent.
