Read the following paper:—

From—The Agent, South Indian Railway.

To—The Consulting Engineer for Railways, Madras.

Dated—Trichinopoly, 15th September 1898, No. 867.

Referring to your letter, No. 2722 of 26th August 1895, sanctioning the provision of a trial station at Adiyakkamangalam (mile No. 255/10) on the Negapatam branch and to paragraph 35 of the Inspection Report for the half-year ended 31st December 1896, I have the honour to forward for sanction estimate No. 2054, amounting to Rs. 8,872, chargeable in the proportions of Rs. 8,273 to Capital and Rs. 599 to Revenue, for providing the permanent arrangements shown on the accompanying ferrotype copy of Drawing No. 293/98.

The designs for the station house, station latrine, and stationmaster's bungalow are the same as those forwarded with my letter, No. 821 of 2nd September 1898, for Perambair station.

In his letter, No. 178 of 6th November 1896, the Managing Director has communicated the approval of the Board of Directors to a sum of Rs. 27,000 being provided in the budget for 1897-98 for the above-named station. The reduction between the amount approved of by the Board and that for which an estimate is now forwarded is due to the adoption of cheaper designs for the buildings.

You will note that the total amount for the station is Rs. 8,872 as compared with Rs. 10,298 entered against this station in the statement forwarded with this office letter No. 821 above quoted.

ORDER—No. 1182 Ry., dated 27th September 1898.

The estimate amounting to Rs. 8,872 chargeable in the proportions of Rs. 8,273 to Capital and Rs. 599 to Revenue for the provision of a permanent station at Adiyakkamangalam at mile 255/10, Negapatam branch, South Indian Railway, is sanctioned.

2. This sanction has been registered as No. 25 Ry. of 1898-99.
