RESOLUTION.

It has been brought to the notice of the Government of India that Home Department Resolution No. $\frac{23}{637-653}$, dated the 16th March 1888, conveying orders on the subject of the pecuniary relations of Government officers with persons who are subject to their authority, makes no provision, such as is contained in section 6 of Regulation VII of 1823, for the case of pre-existing indebtedness on the part of Civil officers to individuals resident in districts to which they may be posted. The Governor General in Council considers such a provision desirable, and is accordingly pleased to direct that the following rule shall be added to the rules laid down in the Resolution quoted above:—

3. Any such officer, as is referred to in Rule 1, who is appointed or transferred to a post in which he will be in a position to exercise official influence or authority over any person to whom he is under any pecuniary obligation, or to a post with Local Jurisdiction within the limits of which any person to whom he is under any pecuniary obligation resides, possesses property or carries on business, shall be bound to declare, without delay, the circumstance to the officer to whom he is immediately subordinate for report to the Government, and failing to do so shall be subject to the same penalty as if the obligation were incurred after his appointment or transfer.

2. This prohibition does not extend to transactions in the ordinary course of business with Joint Stock Banks and British firms.

2. Circular No. ²¹₇₉₇₋₈₀₆ (Public), dated Simla, the 13th May 1885.
 From—The Secretary to the Government of India, Home Department.
 To—All Local Governments and Administrations.

In the course of correspondence with a Local Government, it has been brought to the notice of the Government of India that some misapprehension exists as to the precise scope and proper interpretation of the standing orders which regulate the connection of public servants with land-holding and commercial speculation in India. The Governor General in Council accordingly considers it desirable, in continuation of Home Department Resolution No. 5-224-246, dated 20th February 1884, to frame, for facility of reference on the part of Local Governments and Administrations and officers serving under them, a brief summary of the existing rules, and of the more important interpretations which have been placed upon certain of them by the Government of India with the approval of Her Majesty's Secretary of State.

2. Covenanted Civil Servants, Military officers in civil employ, and all persons holding civil offices ordinarily held by Covenanted or Commissioned officers of the two classes above mentioned, are prohibited from acquiring or holding land within the province in which they are employed or with the administration of which they are concerned, whether that connection be permanent or temporary. This prohibition does not extend to land occupied merely by buildings for residence and their usual appurtenances.

3. Natives of India appointed under the Statutory Rules are permitted to hold any lands actually in their possession when they enter the service of Government, or which may come into their possession thereafter by inheritance, gift* or devise, provided that full information in respect of such lands is given to the Local Government, which will consider in each case whether the fact of an officer holding any particular lands need be a bar to his employment in the district where these are situated. No fresh purchase of land is, however, allowed on the part of a Statutory Civil Servant without the previous sanction of the Local Government under which he is serving.

* i.e., *bond fide* gifts from relatives or near friends.

Note.—This rule is also applicable to natives of India who enter the Indian Civil Service by competition in England—Home Department Circular No. ^{19-Public}₁₁₆₁₋₁₁₇₀, dated the 14th June 1890.

4. Uncovenanted officers exercising independent judicial or revenue functions, whether of European, Eurasian, or native descent, are not debarred from acquiring or possessing landed property in British India for agricultural purposes, provided that they must not hold landed property in the districts in which they are employed. Although uncovenanted officers are not precluded from holding land, it is inexpedient that appointments which necessarily confer a considerable amount of power and influence on their occupants, such as those of Munsif, Deputy Collector, and Tahsildar, should be filled by persons holding landed property within their jurisdiction.

5. Officers of all classes (including candidates for office) must be required to make a declaration of the fact of their being in possession of, or of their

having acquired landed property, stating the district within which it is situated, with such other particulars as may be considered necessary, of which registers should be kept by the Local Governments concerned.

6. It is incumbent on the several Local Governments to take care that no officer who may be in possession of landed property in British India or elsewhere, to whatever branch of the service he may belong, shall apply any portion of the time and attention which ought to be devoted to his public duties, whether civil or military, to the management of that property, and that longer or more frequent leaves of absence are not permitted on that account.

7. Civil Servants and Military officers in the actual service of the Crown in India are prohibited from holding lands in a Native State for any purpose whatever. This prohibition does not extend to land occupied merely by buildings for residence and their usual appurtenances.

8. With regard to investments, other than those in land for the profits of cultivation, officers of every rank and class in the public service are expected to abstain from any investment (though of itself unobjectionable) which interests them privately in affairs or undertakings of the kind with which their public duty is connected. Subject to this general proviso, there is no objection to Government servants holding shares in mining or other companies (including agricultural companies) having for their object the development of the resources of the country, provided that they must not take part in the management of any such company, and that they must not be employed in the districts where the operations of the company with which they may be connected are carried on. This latter prohibition must be held to apply sometimes with less, sometimes with greater, force to certain officers connected with the central administration, such as Members of the Local Government, Members of the Board of Revenue and their Secretaries, and to indicate the necessity of great circumspection on the part of such officers as to the undertakings with which they become connected in any part of the province in which they are employed.

9. In the matter of taking part in the management of a company, it has been decided that the prohibition was not intended to apply to the participation of Government officers in the direction of those companies only which are designed to develop the resources of the country, but also to preclude such officers from taking part in the direction of such institutions as Banks. It has also been held that the prohibition against officers taking part in the management of a company applies to public servants on leave equally with those in active service, but that it does not extend to officers who, with the consent of the Government of India, take service under Railway Companies working under concessions from Government, nor does it apply to the management of associations which are established *bond fide* for the purpose of mutual supply and not of trade and trade profit (provided in this latter case that the interests of Government do not suffer by the double employment of the officer concerned). Although the prohibition against taking part in the "management" of a company cannot, taken literally, be held to debar an officer from taking part as a promoter or as one of the applicants for registration in the Memorandum of Association, the Governor General in Council has held that the danger against which the prohibition was aimed, namely, that of official influence being abused or official trust betrayed, is, under such circumstances,

which should guide the conduct of public officers in these matters, and which are especially applicable to the present time, when much important business is passing through the public offices. And His Excellency trusts that these principles may in future be clearly apprehended and observed.

Extract from the Proceedings of the Government of India in the Home Department (Public),—No. 22 A., dated 3rd June 1885.

RESOLUTION.

His Excellency the Viceroy and Governor General has, within the last few months, observed, not infrequently, in the columns of the daily papers, items of official information of a confidential character, which can only have reached the Press through an indiscretion or want of reticence on the part of those officers of Government who have had to deal departmentally with the subject-matter of the editorial paragraphs in question. In former days, when India was comparatively isolated, when there were no telegraphs, and when newspapers were neither numerous nor widely-circulated, the mischief arising from such violations of official reticence may have been less apparent, but now that every statement, however inaccurate or incomplete, which has any bearing upon pending questions of policy or administration, is reported from one, end of India to the other, and from India to Europe in the course of a few hours, the case is very different and the embarrassment thus caused to the Government becomes at times a matter of very serious moment.

2. It must be clearly understood that no officer of Government, not specially authorized in that behalf, is at liberty to communicate to the Press, either directly or indirectly, information of which he may become possessed in the course of his official duty. A similar professional reticence should be exercised by all officers of Government in their private and unofficial intercourse with non-official persons, and even with officers of Government belonging to other Departments. His Excellency the Viceroy and Governor General does not for a moment intend to debar officers of Government in private life from the same freedom in the discussion of public events which is enjoyed by all Her Majesty's subjects; but when an officer has in the course of his duty become possessed of special information not yet made public, he should always be strictly on his guard against the temptation of divulging it, even to other servants of Government, when these are not officially entitled to his confidence. Irresponsible persons hearing facts of interest mentioned without reserve in the course of general conversation can scarcely be expected to refrain from repeating them to others, and thus giving them a premature and too often a garbled currency.

3. His Excellency the Viceroy and Governor-General feels sure that he has only to invite the attention of the officers of Government to the importance of this matter to secure their earnest co-operation in putting a stop to such casual and unpremeditated breaches of official confidence. Officers of Government are bound to be as reserved in respect to all matters that may come within their cognizance during the discharge of their public duties as lawyers, bankers, or other professional men in regard to the affairs of their clients.

4. For the due communication to the Press of such information as may unobjectionably be given to it, departmental arrangements must be made under proper authority.

Notification by the Home Department.

The following Resolution of the Foreign Department containing rules regarding the sale of property to Natives by British officers, whether Civil, Military or Uncovenanted, is republished for general information:—

Extract from the Proceedings of the Government of India in the Foreign Department,—No. 1667, dated 30th September 1868.

RESOLUTION.

His Excellency the Viceroy and Governor General in Council observes that these references originated with a case which occurred at Allahabad, where an officer wished to part with his house to a Native, under circumstances not open to any suspicion and with a remark from the Home Department to the effect that some change or relaxation of the rule which prohibits the sale of property to Natives by public servants under any circumstances seemed desirable. At present, under the Notification of the 3rd December 1858, drawn up in consequence of the orders of the late Court of Directors, sales of property to Natives are strictly prohibited, and officers are thereby directed to refer all transactions in regard to which they have any doubts for the orders of superior authority.

2. His Excellency in Council observes that the weight of authority on the part of the various Administrations and Departments which have lately been consulted on this subject is decidedly in favour of some modification of the existing rule, or at least of more clearly and accurately defining the course to be pursued in such cases. There can be no doubt that the restrictions imposed hitherto on such transactions have been, to a certain extent, beneficial, and that the Government of India, though it can place a full reliance on the fair dealing, honour, and integrity of its Civil and Military Services, has a right to expect, not only that all such transactions shall be correct and unimpeachable in themselves, but that they shall not run any risk of misconstruction at the hands of designing, ignorant, or credulous persons.

3. The Government of India is also well aware, as pointed out by some of the high authorities consulted, that many officials who, on joining their stations, have become the owners of houses either under an absolute necessity, or from laudable motives of convenience and comfort, may, on quitting the district or province to which they have been for some time attached, literally find no purchasers for their property, except Natives of wealth or substance. When such transactions openly and avowedly take place, no evil consequences, His Excellency in Council thinks, need ever ensue under proper precautions.

4. The following rules have therefore been drawn up in supersession of the existing rule, and are hereby published for general information. They must be considered applicable to European public servants of all descriptions, Civil, Military and Uncovenanted.

1.—Whenever a public servant wishes to dispose of a house, bungalow, elephant, horse, or carriage, or other valuable property, to any Native within his jurisdiction, or within the limits of the district in which he is employed on the public service, and from which he is not about to remove, he must report his intention

to the Local Government to which he is subordinate, stating the facts and circumstances and the price offered for the article to be sold. The Local Government will then pass such orders on the reference as may seem fit and proper.

II.—Whenever a public servant is about to quit his station or district permanently, or for a considerable period, and wishes to dispose of his house, bungalow, elephant, carriages, and horses, and the like property of value, to Native purchasers, he shall report his intention to the Commissioner or the head local authority to which he may be immediately subordinate, and that authority will use its discretion in allowing the transaction, or in reporting the circumstances to the Local Government for further orders.

III.—Whenever a public servant, on quitting his station or district, wishes to dispose of his furniture, household goods, live-stock, etc., he is at full liberty to do so either by circulating lists of such property amongst the community generally, or by having the same put up to public auction, without reference to any authority whatever. All that is necessary is that the transaction should be open and patent to everybody on the spot.

IV.—Rule No. I is to be considered applicable to purchases equally with sales.

5. The observance of the above rules will, His Excellency in Council thinks, fully meet the inconveniences and exigencies to which gentlemen of acknowledged honour and probity would be put on many occasions if debarred from such transactions; while at the same time they will be a sufficient safeguard against any abuse, any imputation of unfair or interested dealings, or any possibility of misconception on the part of the non-official community.

Notification by the Home Department, No. 53 (Public), dated Fort William, the 20th January 1892.

In continuation of Home Department Notification No. 1437, dated the 23rd September 1881, republishing rules regarding the sale of property to Natives by Government officers, it is hereby notified for general information that the above rules are not applicable to *bona fide* transactions with regular dealers.

5. *Extract from the Proceedings of the Government of India in the Home Department (Public),—No. ³¹/₁₂₁₇₋₄₂, under date Simla, the 11th July 1885.*

RESOLUTION.

It has recently been brought to the notice of the Government of India that no rule exists regulating the circumstances under which officers of Government may apply to Native Chiefs for pecuniary contributions towards public objects. As it is for many reasons undesirable that such applications should be made except with the permission of superior authority, the Governor General in Council is pleased to direct that in future no officer of Government shall ask or accept pecuniary aid or subscriptions from Native Chiefs or

officials of Native States in pursuance of public objects, except with the sanction previously obtained of the Local Government to which he may be subordinate.

Extract from the Proceedings of the Government of India in the Home Department (Public),—No. ²⁵/₁₄₃₇₋₆₀, under date Simla, the 14th August 1889.

READ—

Home Department Resolution No. ³¹/₁₂₁₇₋₄₂, dated the 11th July 1885.

RESOLUTION.

In the Resolution read in the preamble it has been laid down that no officer of Government shall ask or accept pecuniary aid or subscriptions from Native Chiefs or officials of Native States in pursuance of public objects, except with the previous sanction of the Local Government to which he may be subordinate.

2. An instance has recently come to the notice of the Government of India in which a public servant accepted a donation from a Native Chief towards a religious object in which he was specially interested. In the Resolution of 11th July 1885, applications for contributions to private or semi-public objects are not expressly condemned, but the objections upon which those orders are based apply with even greater force to such donations. The Governor General in Council is therefore pleased to extend the orders contained in Resolution No. ³¹/₁₂₁₇₋₄₂ (Public), dated 11th July 1885, to applications for, or acceptance of assistance towards, private or semi-public objects.

6. Circular No. ⁵⁵/₁₈₆₄₋₇₃ (Public), dated Calcutta, the 29th December 1883.

The Governor General in Council considers it desirable to republish for general information the orders issued by the Government of India in Notification No. 216 (General Department), dated 9th September 1842, prohibiting Civil and Military servants of the Government from entering into pecuniary arrangements with members of the service or department to which they belong, in connection with the resignation of any appointment held by them. Officers of Government are warned that any violation of these orders will be severely visited on the offender.

Notification (General Department) No. 216, dated Fort William, the 9th September 1842.

It having come to the knowledge of Government that very erroneous impressions are entertained on the subject of pecuniary arrangements referable to the resignation of appointments, the Honourable, the President in Council is pleased to give notice that all such arrangements are prohibited, and that on proof of any appointment, Civil or Military, having been resigned under such circumstances, the nomination consequent on such resignation will be cancelled, and the parties concerned suspended the service in Public Orders pending the pleasure of the Honourable the Court of Directors.

READ—

Home Department Resolution No. 19, dated 11th May 1885, prescribing rules for the receipt of testimonials and addresses by servants of Government.

RESOLUTION.

In re-issuing the rules contained in Home Department Resolution of the 11th May 1885, with certain necessary additions, the Governor-General in Council desires to invite the renewed attention of the Local Governments and Administrations to the subject with which they deal and to impress on all concerned by them the duty of exact obedience to these regulations.

2. The rules do not apply to the receipt of addresses by the Head of any Government or Administration.

RULES.

1. Save as in these Rules otherwise provided, all servants of Government, Covenanted or Uncovenanted, are forbidden to receive complimentary or valedictory addresses in any form; or to accept testimonials of any kind; or to attend public meetings or complimentary entertainments of a formal and public character held in their honour.
2. The Government views with disfavour all similar manifestations in the case of retired officers, when following immediately upon their retirement from active service, and designed as an acknowledgment of acts done by them while in the service of Government.
3. It is not intended to prohibit such an expression of regard for the private or official character of an officer retiring from service, or leaving his station or district, as is involved in a farewell entertainment supported by his personal friends, even though some of these may be his official subordinates. But it is expected that the proceedings on such occasions will be substantially of a private and informal character.
4. Local Governments and Administrations are authorised to forward to an officer who has left a station or district the resolution of any local public body recording a vote of thanks to him for help and advice afforded during his official connection with the station or district.
5. Medical officers are not prohibited from receiving pecuniary recognition of their services from a community or body of persons which may desire to acknowledge these, but the previous sanction of the Local Government or Administration must be obtained by Medical officers before receiving any public complimentary address.
6. Nothing in the above rule is meant to prohibit compliance with the request of a public body that a Government officer should sit for his portrait, bust, or statue in recognition of his public services; provided that the portrait, bust, or statue is not intended for presentation to the officer concerned.
7. The participation of Government officers in the raising of funds for the foundation of scholarships, or for procuring a portrait, bust, or statue, as a

spontaneous recognition of the services of a Government officer is not forbidden; but it should be clearly understood that any solicitation on the part of officers of Government for subscriptions from any person who does not voluntarily come forward to contribute is disapproved by the Government of India.

8. The previous sanction of the Government of India must be obtained to the relaxation of these rules in any special case in which the Local Government or Administration may think this desirable.

8. Circular No. 1299-G., dated Simla, the 20th June 1876.

From—The Secretary to the Government of India, Foreign Department.

To—The Chief Commissioners, Mysore and Ajmere; Residents, Hyderabad, Nipal, and Mandalay; Agents, Governor General, Central India, Rajputana, and Baroda; Political Resident, Persian Gulf; Political Agents, Manipur and Turkish Arabia; Agent, Governor General, ex-King of Oudh, and Superintendent of Political Pensions; and General Superintendent of Operations for the Suppression of Thuggee and Dacoity.

I am directed to forward, for your information and guidance and communication to your subordinates, the following summary of the existing law and rules regarding the acceptance by Government servants of presents from Native Chiefs and others:—

- I.—The main provisions of the law on the subject are contained (see Appendix) in 13 Geo. III, Chap. 63, sections 23-24; 33 Geo. III, Chap. 52, sections 62-63; 3 and 4 Wm. IV, Chap. 85, section 76.
- II.—The prohibition of the receipt of presents from Native Chiefs and others does not extend to the receipt of a few flowers or fruits, and articles of inappreciable value, although even such trifling presents should be discouraged.
- III.—It does not extend to the exchange of presents between Governors, Lieutenant-Governors, Chief Commissioners, Agents to the Governor General, or Political Officers generally, in their ceremonial intercourse with Native Chiefs, on which occasions the presents from the Chiefs are deposited in the Government Toshakhana, and return presents are given at the Government expense.
- IV.—It does not apply to presents to Medical officers made *bond fide* for services rendered.
- V.—The general prohibition extends to all servants of Government, Native or European, Covenanted or Uncovenanted, in whatsoever Department they may be serving.
- VI.—Where presents cannot absolutely be refused without giving offence, they must be delivered up to Government, and to this rule no exception whatsoever is permissible, save with the express sanction of His Excellency the Governor General in Council, which will only be given under very special circumstances.

2. The Governor General in Council desires that the above rules may be strictly observed and no deviation therefrom permitted, except with the previous sanction of the Government of India.

APPENDIX.

[Extract 13 Geo. III, Chap. 63, sections 23 and 24.]

XXIII.—And be it further enacted by the authority aforesaid, that no Governor General or any of the Council of the said United Company's Presidency of Fort William in Bengal, or any Chief Justice, or any of the Judges of the Supreme Court of Judicature at Fort William aforesaid, shall, directly or indirectly, by themselves or by any other person or persons for his or their use, or on his or their behalf, accept, receive or take, of or from any person or persons in any manner, or on any account whatsoever, any present, gift, donation, gratuity, or reward, pecuniary or otherwise, or any promise or engagement for any present, gift, donation, gratuity, or reward. * * *

LXII.—And be it further enacted, that the demanding or receiving any sum of money, or other valuable thing as a gift or present, or under colour thereof, whether it be for the use of the party receiving the same, or for, or pretended to be for, the use of the said Company, or of any other person whatsoever, by any British subject holding or exercising any office or employment under His Majesty, or the said United Company in the East Indies, shall be deemed and taken to be extortion and a misdemeanour at law, and shall be proceeded against and punished as such under and by virtue of this Act; and the offender shall also forfeit to the King's Majesty, his heirs and successors, the whole gift or present so received, or the full value thereof.

LXIII.—Provided always, and be it further enacted, that the Court or Jurisdiction before whom any such offence shall be tried, shall have full power and authority to direct the said present or gift, or any part thereof, to be restored to the party who gave the same, or to order the whole or any part thereof, or of any fine which the Court shall set on the offender, to be paid or given to the prosecutor or informer, as such Court in its discretion shall think fit.

[Extract 3 and 4 William IV, Chap. 85, section 76.]

LXXVI.—And be it enacted, that there shall be paid to the several officers Salaries of Governor General, hereafter named the several salaries set etc., fixed; to be in lieu of all fees, against the names of such officers subject to such reduction of the said several salaries, respectively, as the said Court of Directors, with the sanction of the said Board may, at any time, think fit; that is to say—

To each ordinary Member of the Council of India, ninety-six thousand sicca rupees:

To each Governor of the Presidencies of Fort Saint George, Bombay and Agra, one hundred and twenty thousand sicca rupees:

To each Member of any Council to be appointed in any Presidency, sixty thousand sicca rupees:

and the salaries of the said officers respectively shall commence from their respectively taking upon them the execution of their respective offices; and the said salaries shall be the whole profit or advantage which the said officers shall enjoy during their continuance in such offices respectively, and it shall be, and it is hereby declared to be, a misdemeanour for any such officer to accept for his own use, in the discharge of his office, any present, gift, donation, gratuity, or reward, pecuniary or otherwise whatsoever, or to trade or traffic for his own benefit, or for the benefit of any other person or persons whatever, etc., etc.

9. Notification by the Home Department, No. 181, dated the 26th January 1855.

With reference to the Notification from the Military Department, No. 100 of 1855, the following public letter No. 18 of 1854, dated 22nd March, from the Honourable the Court of Directors, is published for general information:—

No. 18 of 1854.

OUR GOVERNOR GENERAL OF INDIA IN COUNCIL.

1. In our Despatch of this date, No. 6, to the Government of Bombay, we have given our views on a question submitted by that Government, viz.—

“Whether a public declaration of insolvency on the part of our Civil Servants is to be regarded as a disqualification for office, or to be visited by Government with any marks of its disapprobation.”

2. In reply to this question we have said: “We have no hesitation in giving it as our decision that such a declaration of insolvency as is involved in a resort to the Insolvent Debtors’ Court for relief is quite incompatible with the maintenance of that high character for independence which we regard as essential in those filling offices of trust and authority in our service. We direct therefore that, in the event of any one of our Civil Servants at any time availing himself of the means afforded by the Court to obtain relief from

his liabilities, he be suspended from public employment, and his case forthwith reported to us for final orders. You will give public notification to this effect, in such way as you may think proper.”

2. You will consider these views as of general application under all our Governments.

Home Department Resolution No. $\frac{11}{426-437}$, dated the 17th March 1882.

RESOLUTION.

Section 2 of Regulation XXXVIII of 1793 prohibits Covenanted Civil Servants from lending money, directly or indirectly, to any proprietor or farmer of land, or dependent taluqdar or under-farmer, or raiyat or their sureties; and by Home Department Resolution of 17th March 1882, read in the preamble, this prohibition has been extended to Natives of India appointed to an office ordinarily reserved for Members of the Covenanted Civil Service under the provisions of 33 Vict., Cap. III, Section 6.

2. Instances have recently been brought to the notice of the Government of India in which uncovenanted gazetted officers of Government have lent large sums of money at various, and sometimes very high, rates of interest, to landholders of the province, and even of the district in which they are serving. It appears to the Governor General in Council very desirable that this practice should be discontinued at once. His Excellency in Council is accordingly pleased to direct that the existing rules on the subject, which apply to Covenanted Civil Servants and Members of the Statutory Civil Service, shall be extended to all uncovenanted officers in the Subordinate Executive and Judicial Services of the Government. Such officers are hereby prohibited from lending money at interest, whether directly or through relatives or other agents to landholders, with or without security, within the province in which they are employed.

Note.—These orders apply to all Executive and Judicial servants of Government to whom the term “officer” is usually applied,* and the prohibition covers all loans.—Letter to Government of Madras No. 2407, dated the 6th December 1890.

In a General Order of the Government of India in the Foreign Department, dated the 15th March 1847, it was laid down that a Government officer is at liberty, if his public conduct in the transaction of his official duties is

impugned, "to seek redress through the usual official channel by an appeal to the Government he serves, and that the Government so appealed to will afford him every opportunity of vindicating his character". Though the matter has since that date been dealt with in a confidential paper, no subsequent orders regulating the course to be followed by Government officers for the vindication of their acts as public functionaries have been generally circulated, and the result is that the practice in this respect is not uniform in all provinces. The Governor General in Council therefore deems it desirable to prescribe the procedure which should be generally observed in future. I am accordingly to convey the following instructions, with the request that their purport may (with the permission of His Excellency the Governor in Council His Honour the Lieutenant-Governor (and Chief Commissioner)) be conveyed to the officers serving in the different branches of the administration in

the Madras } Presidency
the Bombay }
Bengal
the North-Western Provinces and Oudh, etc.

2. It is a standing order that, without obtaining the authorization of the Government to which he is immediately subordinate, no officer of Government is permitted to have recourse to the Courts for the vindication of his public acts, or of his character as a public functionary, from defamatory attacks. In giving authority to institute proceedings, the Local Government concerned will decide whether the circumstances of the case are such that the Government should bear the costs of the proceedings, civil or criminal, or leave the officer to institute the prosecution or suit at his own expense; and in the latter case it will also determine, in the event of the matter being decided by the Courts in the officer's favour, whether he should be recouped by Government the whole or any part of the costs of the action.

3. I am to explain that the ruling above laid down does not affect an officer's right to defend his private dealings or behaviour in any way that he may be advised; but his official reputation is in the charge of the Government which he serves, and it is for that Government to decide in each case whether the institution of proceedings to vindicate his public acts or character is necessary or expedient.

12. Circular letter from the Secretary to the Government of India, Home Department, to all Local Governments and Administrations, No. ^{11-Public} 679-88, dated 18th March 1890.

I am directed to say that the Governor General in Council has had under consideration the attitude which should be maintained by officers in the service of Government towards political or quasi-political movements with which they may be brought in contact. Servants of Government have not the same liberty of action as private individuals, and are bound to hold themselves aloof from many movements which are perfectly legitimate in themselves and which private persons are free to promote. Their participation in such movements is open to objection, because their connection with them is likely to create, and even to be appealed to for the purpose of creating, a false impression in the minds of ignorant persons that such movements have the countenance of Government, and because their influence with the community at large is liable to be impaired by their identifying themselves with the class by which the movement is promoted.

2. For these reasons His Excellency in Council desires that the following rules may be observed by all Government servants:—

- As a general rule that no officer of Government should attend at a political meeting where the fact of his presence is likely to be misconstrued or to impair his usefulness as an official.
- No officer of Government may take part in the proceedings of a political meeting or agitation.
- If in any case an officer is in doubt whether any action which he proposes to take would contravene the terms of this order, the matter should be referred to the Head of the Department or District, and, if necessary, to the Local Government of Administration.
