Note on the six months estimate of the
Shoranur - Cochin Survey (Final Location)
for the year 1898-99.

1. The estimate for this undertaking was sanctioned for Rs 26,949, against which ex-
penditure to the extent of Rs 1,711 was in-
curred during the previous year, and as it
is proposed to complete the work during
1898-99 the balance of the estimate viz -
Rs 25,238 has been provided for in the six
months estimate.

The excess of Rs 10,238 over the budget es-
timate is due to the expenditure incurred
and brought to account in 1897-98 having
been considerably less than provided for.

As the work will be completed by
31st March next no funds are required
for the next financial year.
