Note on the Six months Capital estimate of the Madras-Ennur Section of the Bezwada Madras Railway for the year 1898-99.

---

1. No expenditure was contemplated for the year and no provision was consequently made in the budget estimate, but to meet petty liabilities incurred during the previous year an allotment of Rs 2.000 was made in Government of India letter No 495 A.R. dated 9th September 1898.

The Six months estimate has been prepared for Rs 102.000 on the assumption that the "Main Line from Basin Bridge Junction to Korukupet Station, the estimate for which is now before Government, will be constructed as a part of this Section.

The Chief Engineer Madras Railway considers that he will be able to spend Rs 100.000 on the work during the current year.
