Reference No. 1003 dated 9th September 1898.

With its Order No.1007 Mis. Revenue dated 28th February ~~uary~~ 1898, Government communicated to the Board a letter from the - Under Secretary to Government, P.W.D., Railway Branch, Bombay, relative to the acquisition of certain land at Guntakal for the Southern -- Mahratta Railway Company. The - Government Order was forwarded to the Collector of Anantapur for the necessary action and report. The Collector now reports the probable cost of the acquisition and the estimated capital value of the loss of assessment.

Acres	Roads	Poles	
21	2	35	or 21.72 acres.

2. By "necessary action", the Board meant that a draft notification under section 6 of Act i of 1894 (India) should be -- submitted for the approval of Government and that, on its publica-- tion, the further steps necessary under that Act should be taken. No action has as yet been taken in this direction, and, to avoid further delay, the Board resolves itself to prepare and submit to Govern--- ment a draft notification for approval and publication in the Fort Saint

Saint George Gazette.

5. It ~~e~~ is observed that more than 5 months have elapsed since the first G.O.on ~~the~~ this subject was communicated to the Collector.He is now requested to see that on the publication of the notification under section 6 of the Land Acquisition Act the further proceedings under the that Act are taken expeditiously.

4. On the completion of the proceedings under the Act,a report should be submitted to the Board as regards the value of the land and the capitalized value of the loss of assessment resulting from the acquisition,in order that the sanction of the Government of Bombay may be obtained for debiting the amount to the capital accounts of the Railway.These values should be determined as follows:--

A. Value of land.

(1).Amount of compensation actually awarded to private owners,

or,(2) In the case of the Government waste, or poramboke lands the value as estimated with reference to the value of occupied ~~of occupied~~ lands of similar quality in the neighbourhood.

B.Loss of assessment to be capitalized at 29 years' purchase.

(1) Assessment of the occupied Government lands taken up.

(2) The present value according to the annexed table of the future loss of assessment on the waste and poramboke lands.

(3).In the case of the land held on a life grant,the present value, according to the table referred to in the last clause,of the reversionary right of Government to the assessment on the land.
