Sir,

In reply to your No. 2724 of October 4th 1898 I have the honor to inform you that the working plans and sections of this Railway have been prepared to a scale of 100 ft. to an inch plan and 200 ft. horizontal and 20 ft. vertical for section as it was found quite impossible to adhere to the small scale of 400 ft. to an inch in a line of this character.

2. A bound copy of this working plan and section was sent to you with this Office No. 2126 of 22nd April 1898 could you kindly send this copy to the Govt. of India and I will send you another as soon as I have got it ready.

I have the honor to be
