To

The Consulting Engineer for Railways.

Sir,

Madras

I have the honor to request that you will be so good as to communicate to me the sanction of the Government of India for the establishment of an out Agency at Ootacamund, as it is not one of the Agencies sanctioned in the Government of India letter No. 469 R. T. of the 22nd August 1895 received under your endorsement No. 121 of the 4th September 1895.

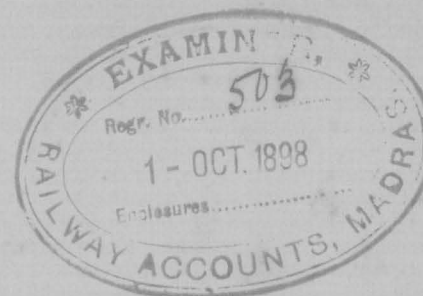

I shall also be glad if you will obtain the sanction of Government for the receipt of the proposed out Agency to be paid into the Ootacamund Branch of the Bank of Madras, as this will be more convenient than the transmission of the money to the Madras Bank.

The favor of an early reply is requested.
