I have the honour to enclose a copy of a telegram which the collector of Coimbatore sent to the District Traffic Superintendent at Gooty on the 13th instant. I have carefully looked through the plague regulations and I cannot find that the collector was justified in requesting the District Officer to cease booking passengers. We have received orders from time to time requiring the Company to stop the booking of passengers to certain stations and districts but these have in all cases been issued with the authority of the Government. Will you please for any future guidance favour me with the instructions of the Government with regard to this request of the collector of Coimbatore.
