With reference to para 2 of your No 9892
of the 23rd inst I have the honor to
request that you will inform me what
special reasons you have for departing
from the rules in granting Mr.
Theobald acting allowance.

Under the rules in force Mr. Theobald's
salary should be $\frac{250 + 350}{2} = 300$
but you ask for sanction for Rs 250
+ 100 = Rs 350

I have the honor to inform you that it is not intended that Inspector Theobald should act as Assistant Telegraph

Engineer. While the present arrangement continues he will of

necessity have increased responsibility and it is for this

-tioned for him under similar circumstances in your letter No.

the rules for the grant of acting allowances. I enclose a mem-

-orandum showing that the saving in the Telegraph Department

during the absence of Mr. Pigott on furlough, after making pro-

-vision for the allowance proposed to be given to Inspector

Theobald, amounts to Rs. 175 monthly.

EXAMINER'S REPLY.

The allowance of Rs 100 to Mr. Theobald
in January last was within E. R.'s powers
of sanction, as the amount was not
in excess of that to which he would
have been entitled if appointed to
act in the vacancy of Asst. Telegraph
Engineer, the substantive pay of the
latter officer at that time having
been Rs 500/-

As the substantive pay of the Asst.
Tele. Engineer now is only Rs 350/- the
grant of any allowance in excess
of that ordinarily admissible under
rules, viz Rs 50, would require the
