Copy of letter from The Inspector General of Police to the Chief Secretary to Government. Fort. Saint George through the Consulting Engineer for Railways. No. 3907 dt. 18-10-98.

I have the honor to request the sanction of the Govt to employ two additional Constables from the 1st Nov on which date the Nilgiri Railway will be opened for passenger traffic. I propose to place one man at Mettupalaiam where there is at present only one platform Constable and the other at Coonoor. The Deputy Inspector-General asks for two men for Coonoor but I think one will be sufficient for the present.

I have not seen the Contract with the Nilgiri S. Company and I accordingly send this letter through the Consulting Engineer for Railways who will be able to inform the Government what share of the cost of the Police will be borne by the Company.
