The Government of India will be addressed.

Letter—from the Joint Secretary to the Government of Madras, Public Works Department, Railway Branch, to the Secretary to the Government of India, Public Works Department, dated 11th January 1898, No. 57 R.

In continuation of my letter, No. 52 R., dated 10th January 1898, I am directed to report that intimation has been received from the Examiner of Railway Accounts, Madras, that the budget grant of the Madras Railway for expenditure in England, viz., Rs. 11,93,000, is insufficient to meet the demands of the year owing to larger quantities of stores being required than have been provided for, and that, therefore, the sum of Rs. 14,54,636 has been included in the revised estimate for 1897-98.

2. I am to request the sanction of the Government of India, by wire, to the additional allotment of Rs. 2,61,636, as the Examiner reports that, in the absence of a further grant, he will be unable to certify to any further indents submitted by the Madras Railway Company.

Read also the following paper :—

From the Deputy Secretary to the Government of India, Public Works Department, (Account—Railway), to the Joint Secretary to the Government of Madras, Public Works Department, Railway Branch, dated Calcutta, 20th January 1898, No. 78 A.R.

With reference to your letter, No. 57 R., dated the 11th January 1898, regarding an additional grant for capital expenditure in England on the Madras Railway during the current financial year, I am directed to state that the provision made in the budget was based on the estimates received from the India Office, and that indents for stores urgently required may be certified to in excess of this provision. The necessary funds will be provided by the India Office in the revised estimates due next month.

2. As it appears improbable that indents now transmitted to England can be complied with in 1897-98, I am to state that it will, perhaps, be better to certify the indents against the grant for 1898-99.

ORDER—No. 147 R., dated 27th January 1898.

Communicated to the Examiner, Guaranteed Railway Accounts, Madras, for information and guidance with reference to his letter, No. 10, dated 6th January 1898.
