 Dated—Trichinopoly, 15th August 1898, No. 760.

With reference to G.O., No. 957 Ry., dated 26th July 1898, communicating the sanction of the Government of India to the revised grading and scale of salaries of the superior staff of this Railway, I have the honour to inform you that, as regards the Chief Auditor, Third Assistant Auditor, and General Storekeeper, Captain Shelley intended, when using the words "^{to come} _{to be brought} on to the new scale from 30th June 1898," in this office letter, No. 232 of 18th March 1898, to obtain for these three officers the immediate benefit of the improved grading of their appointments. As, however, from the heading of the third column of the enclosure to Government of India letter, No. 2016 G. of 9th July 1898, it appears that these gentlemen can only draw their increments after a qualifying service of two years in the case of the Chief Auditor, and of one year in the cases of the other two officers, I request sanction to their being allowed to draw their increments as under:
